

FAQs on COVID Vaccination

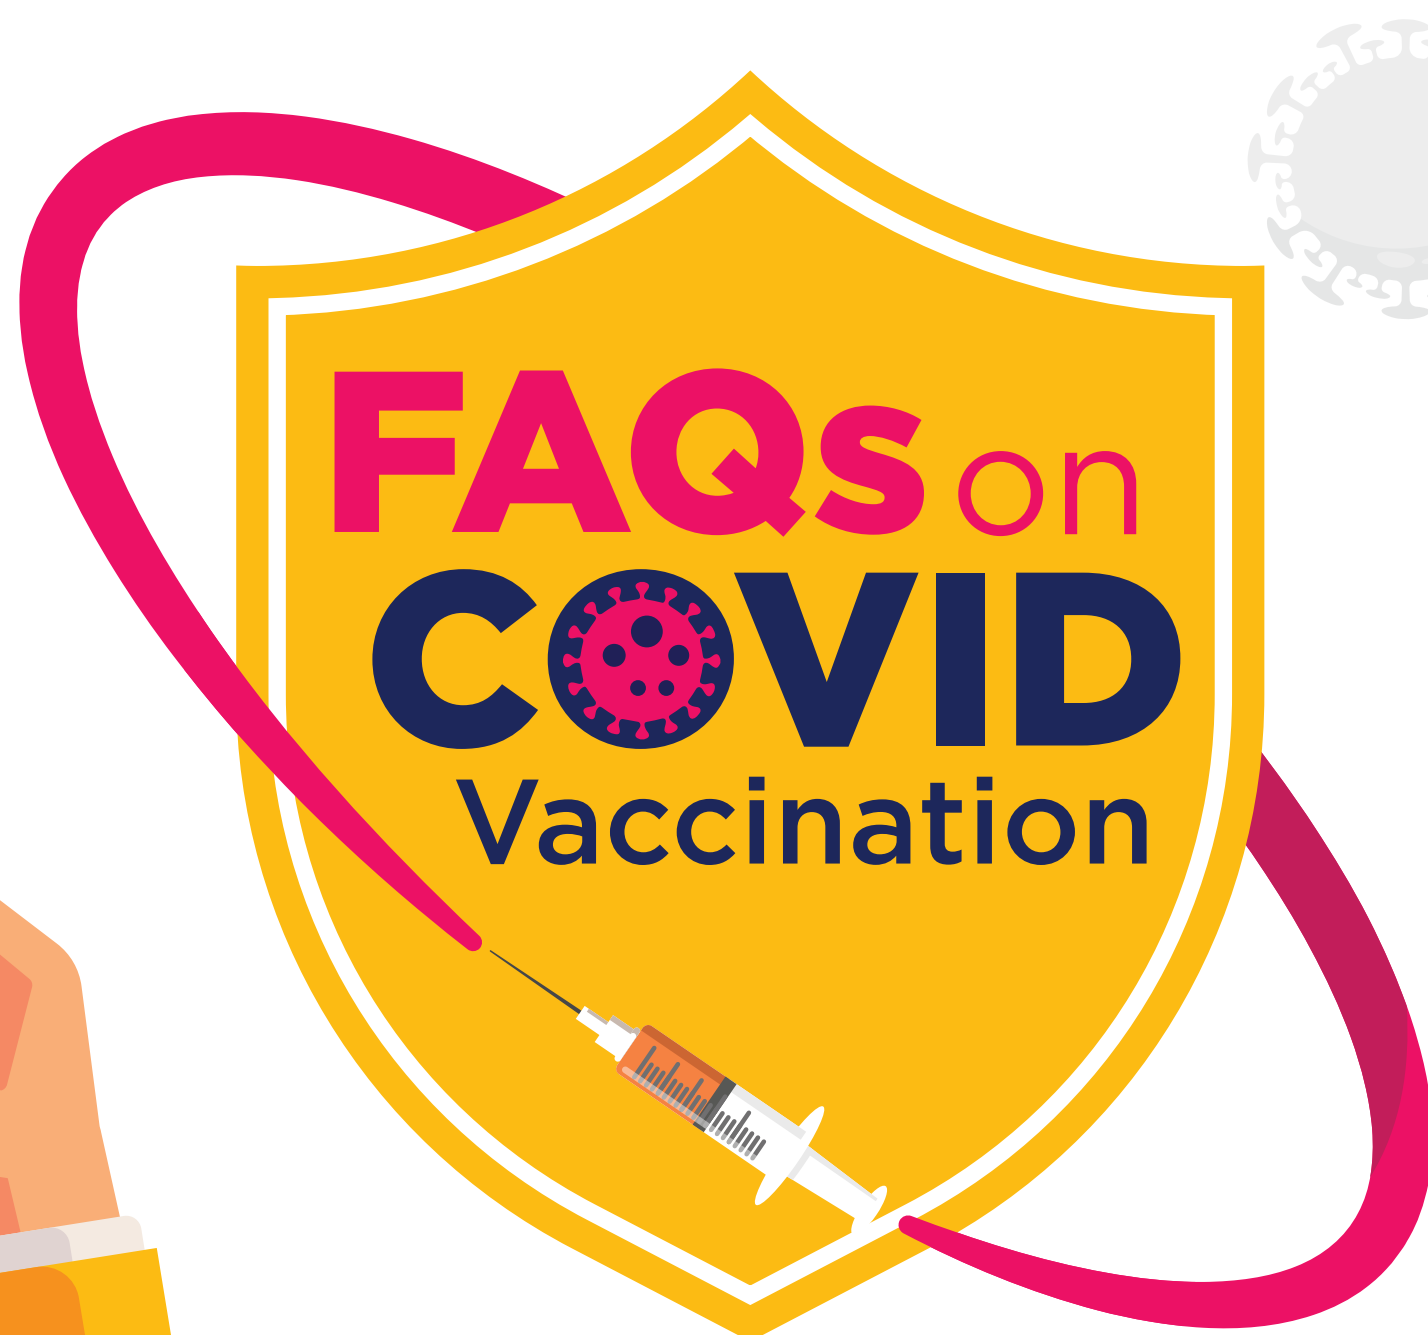

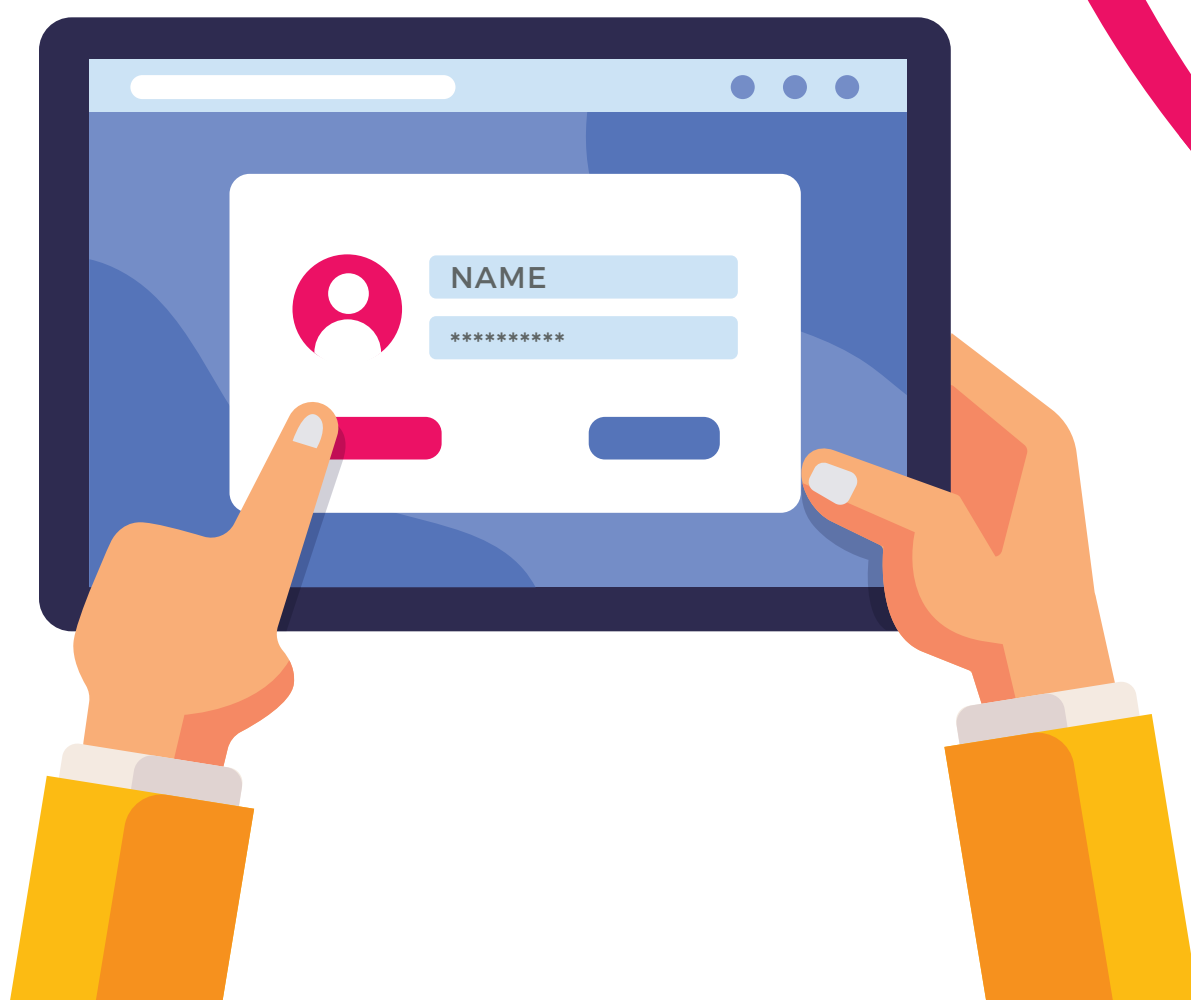

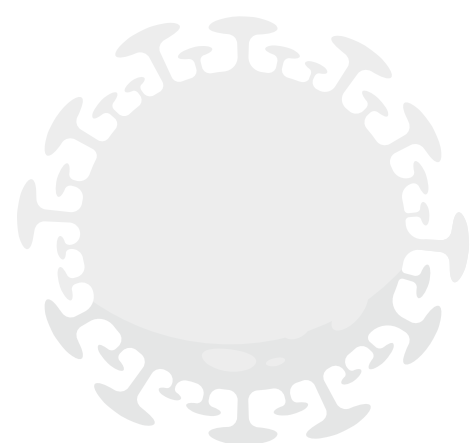

Q. Where can I register for COVID-19 vaccination?

A. You can log into the Co-WIN portal using the link www.CoWin.gov.in and click on the “Register/Sign In Yourself” tab to register for COVID-19 vaccination.

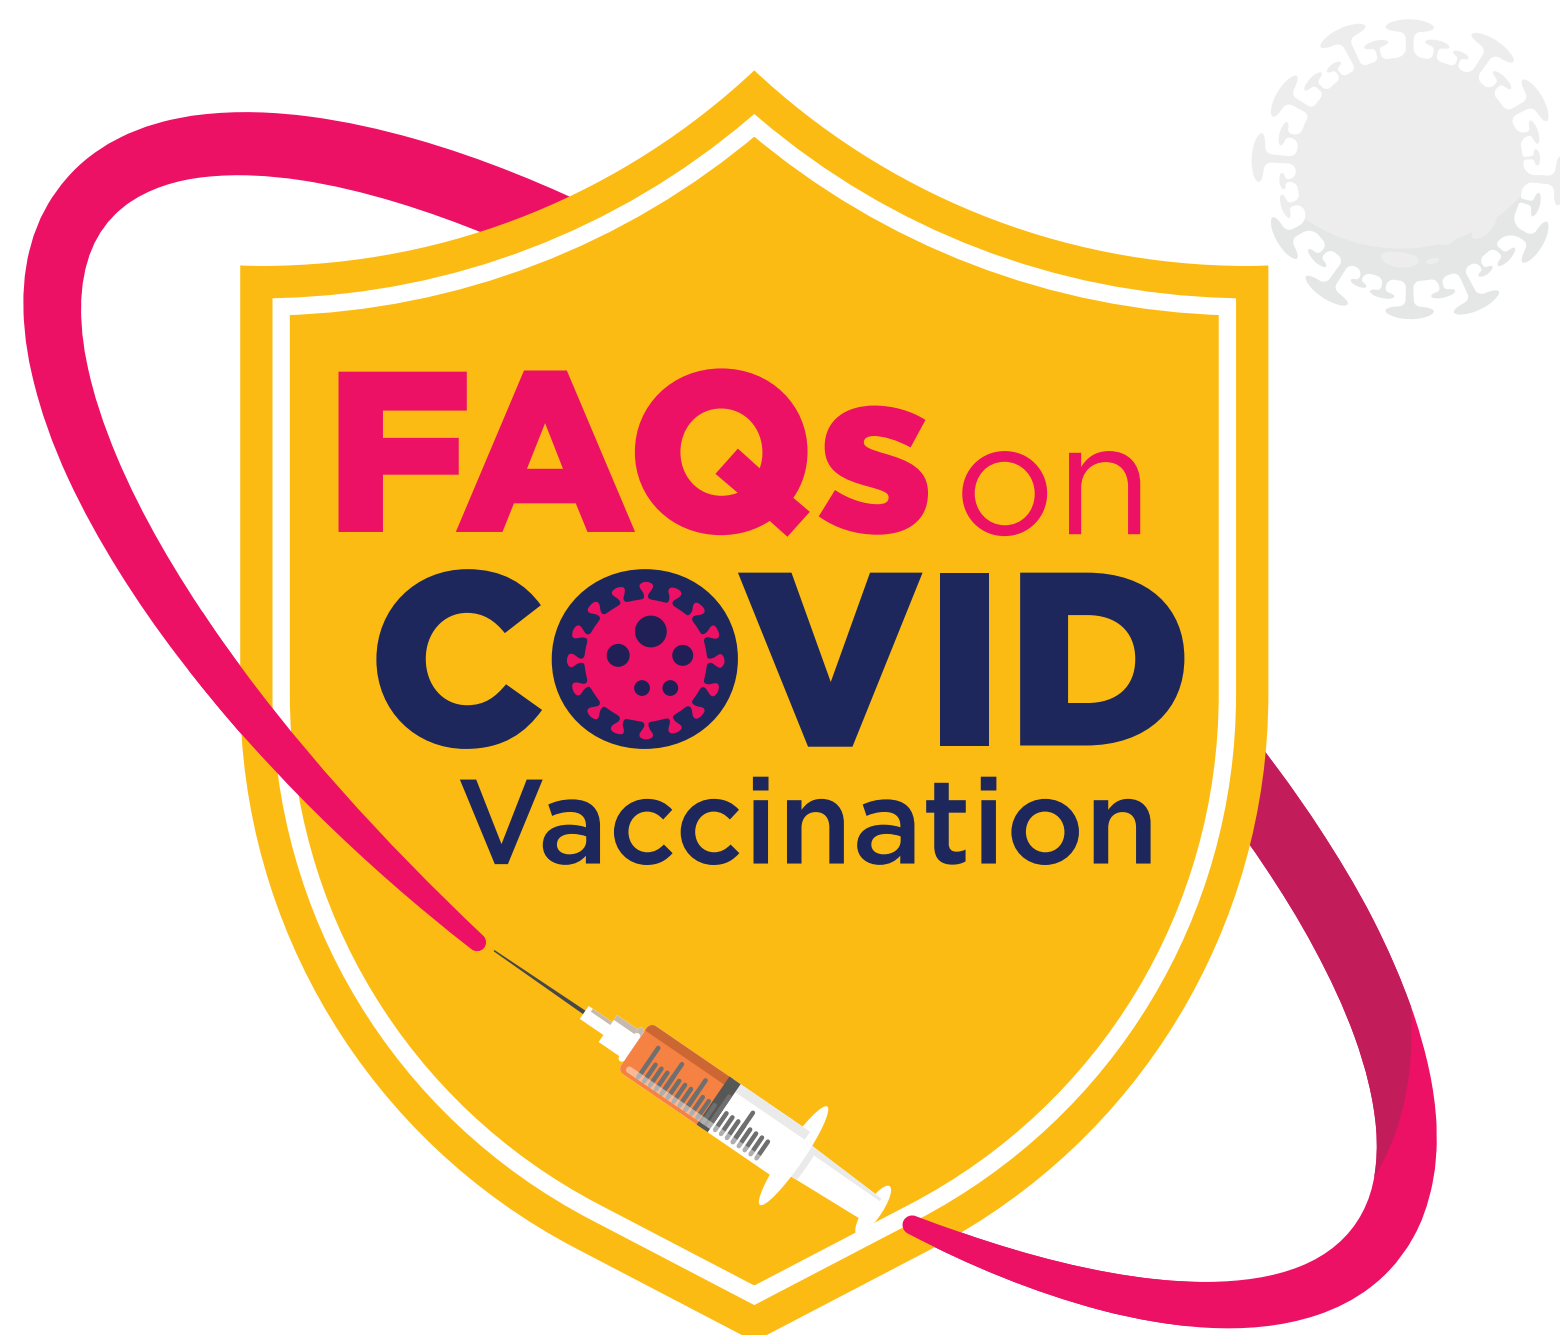

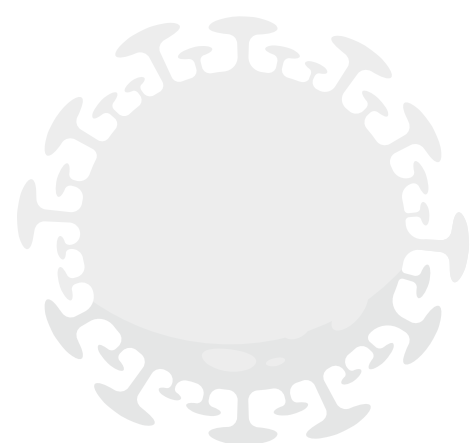

Q. Is there a mobile app that needs to be installed to register for vaccination?

A. There is NO authorised mobile app for registering for vaccination in India. You need to log into the Co-WIN portal at www.cowin.gov.in. You can also register for vaccination through the Aarogya Setu App.

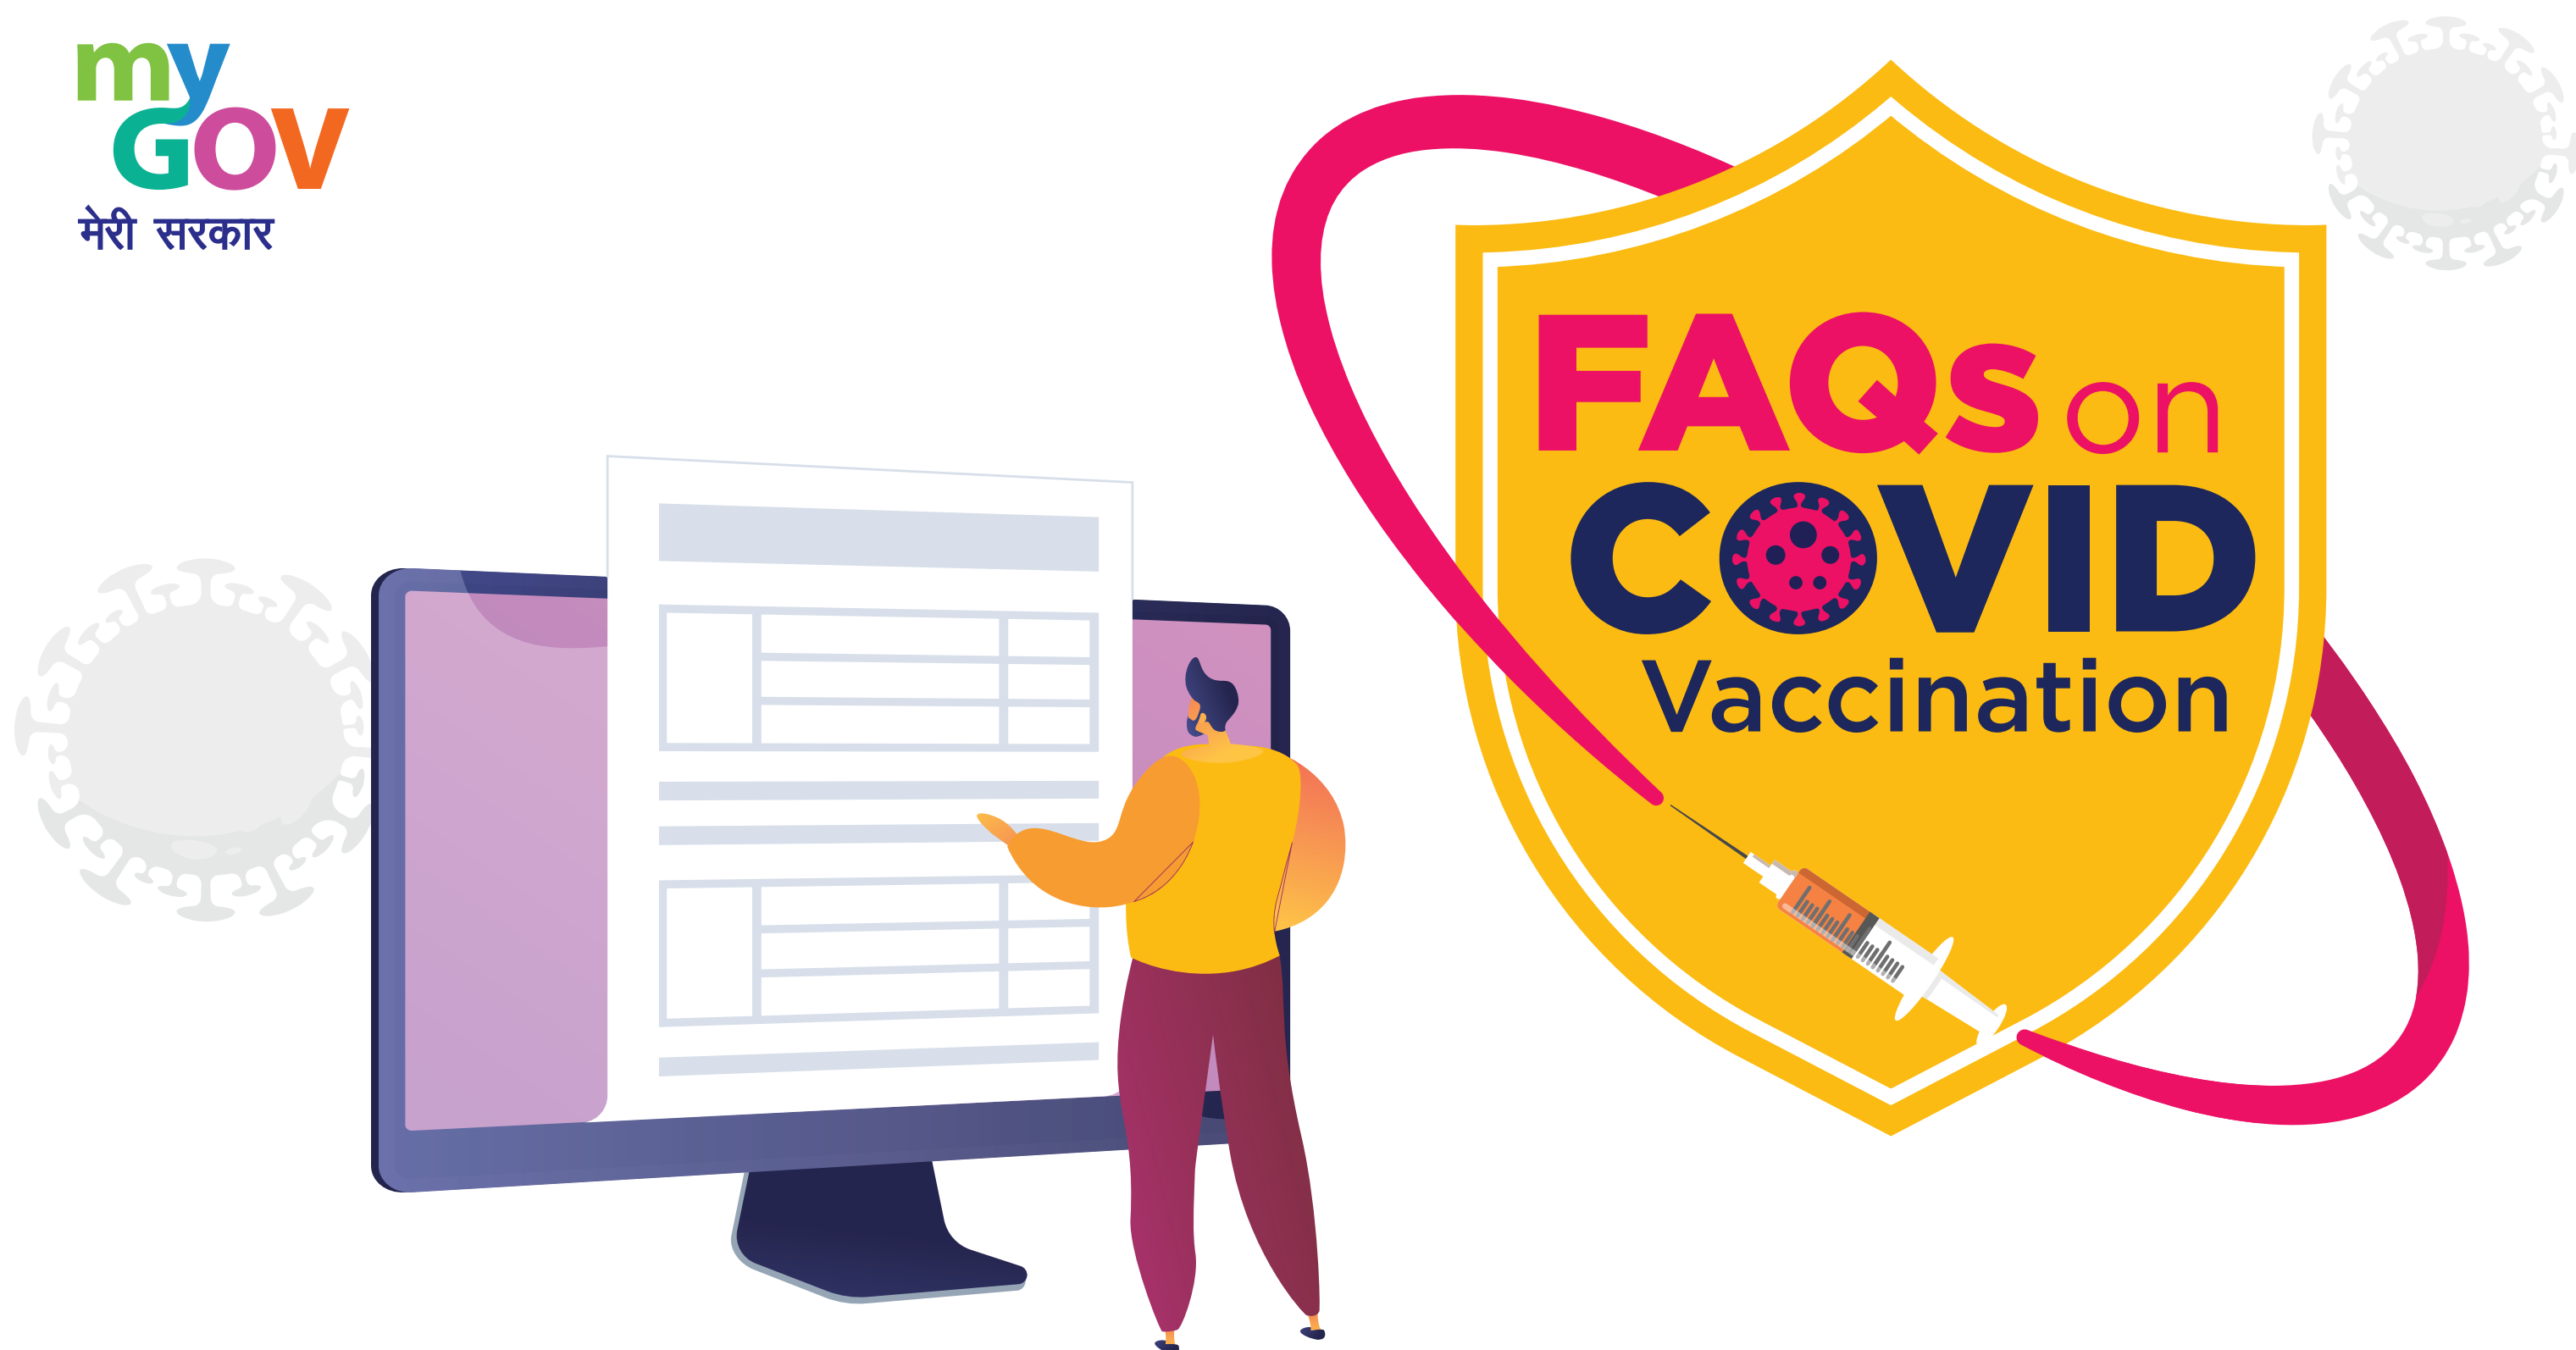

Q. Is online registration mandatory for COVID-19 vaccination?

A. No. Vaccination Centres also provide for a limited number of on-spot registration slots every day. However, it is recommended to register online and schedule vaccination in advance for a hassle-free vaccination experience.

Q. How many people can be registered in the Co-WIN portal through one mobile number?

A. Up to 4 people can be registered for vaccination using the same mobile number.

Q. How can citizens with no access to smartphones or computers manage online registration?

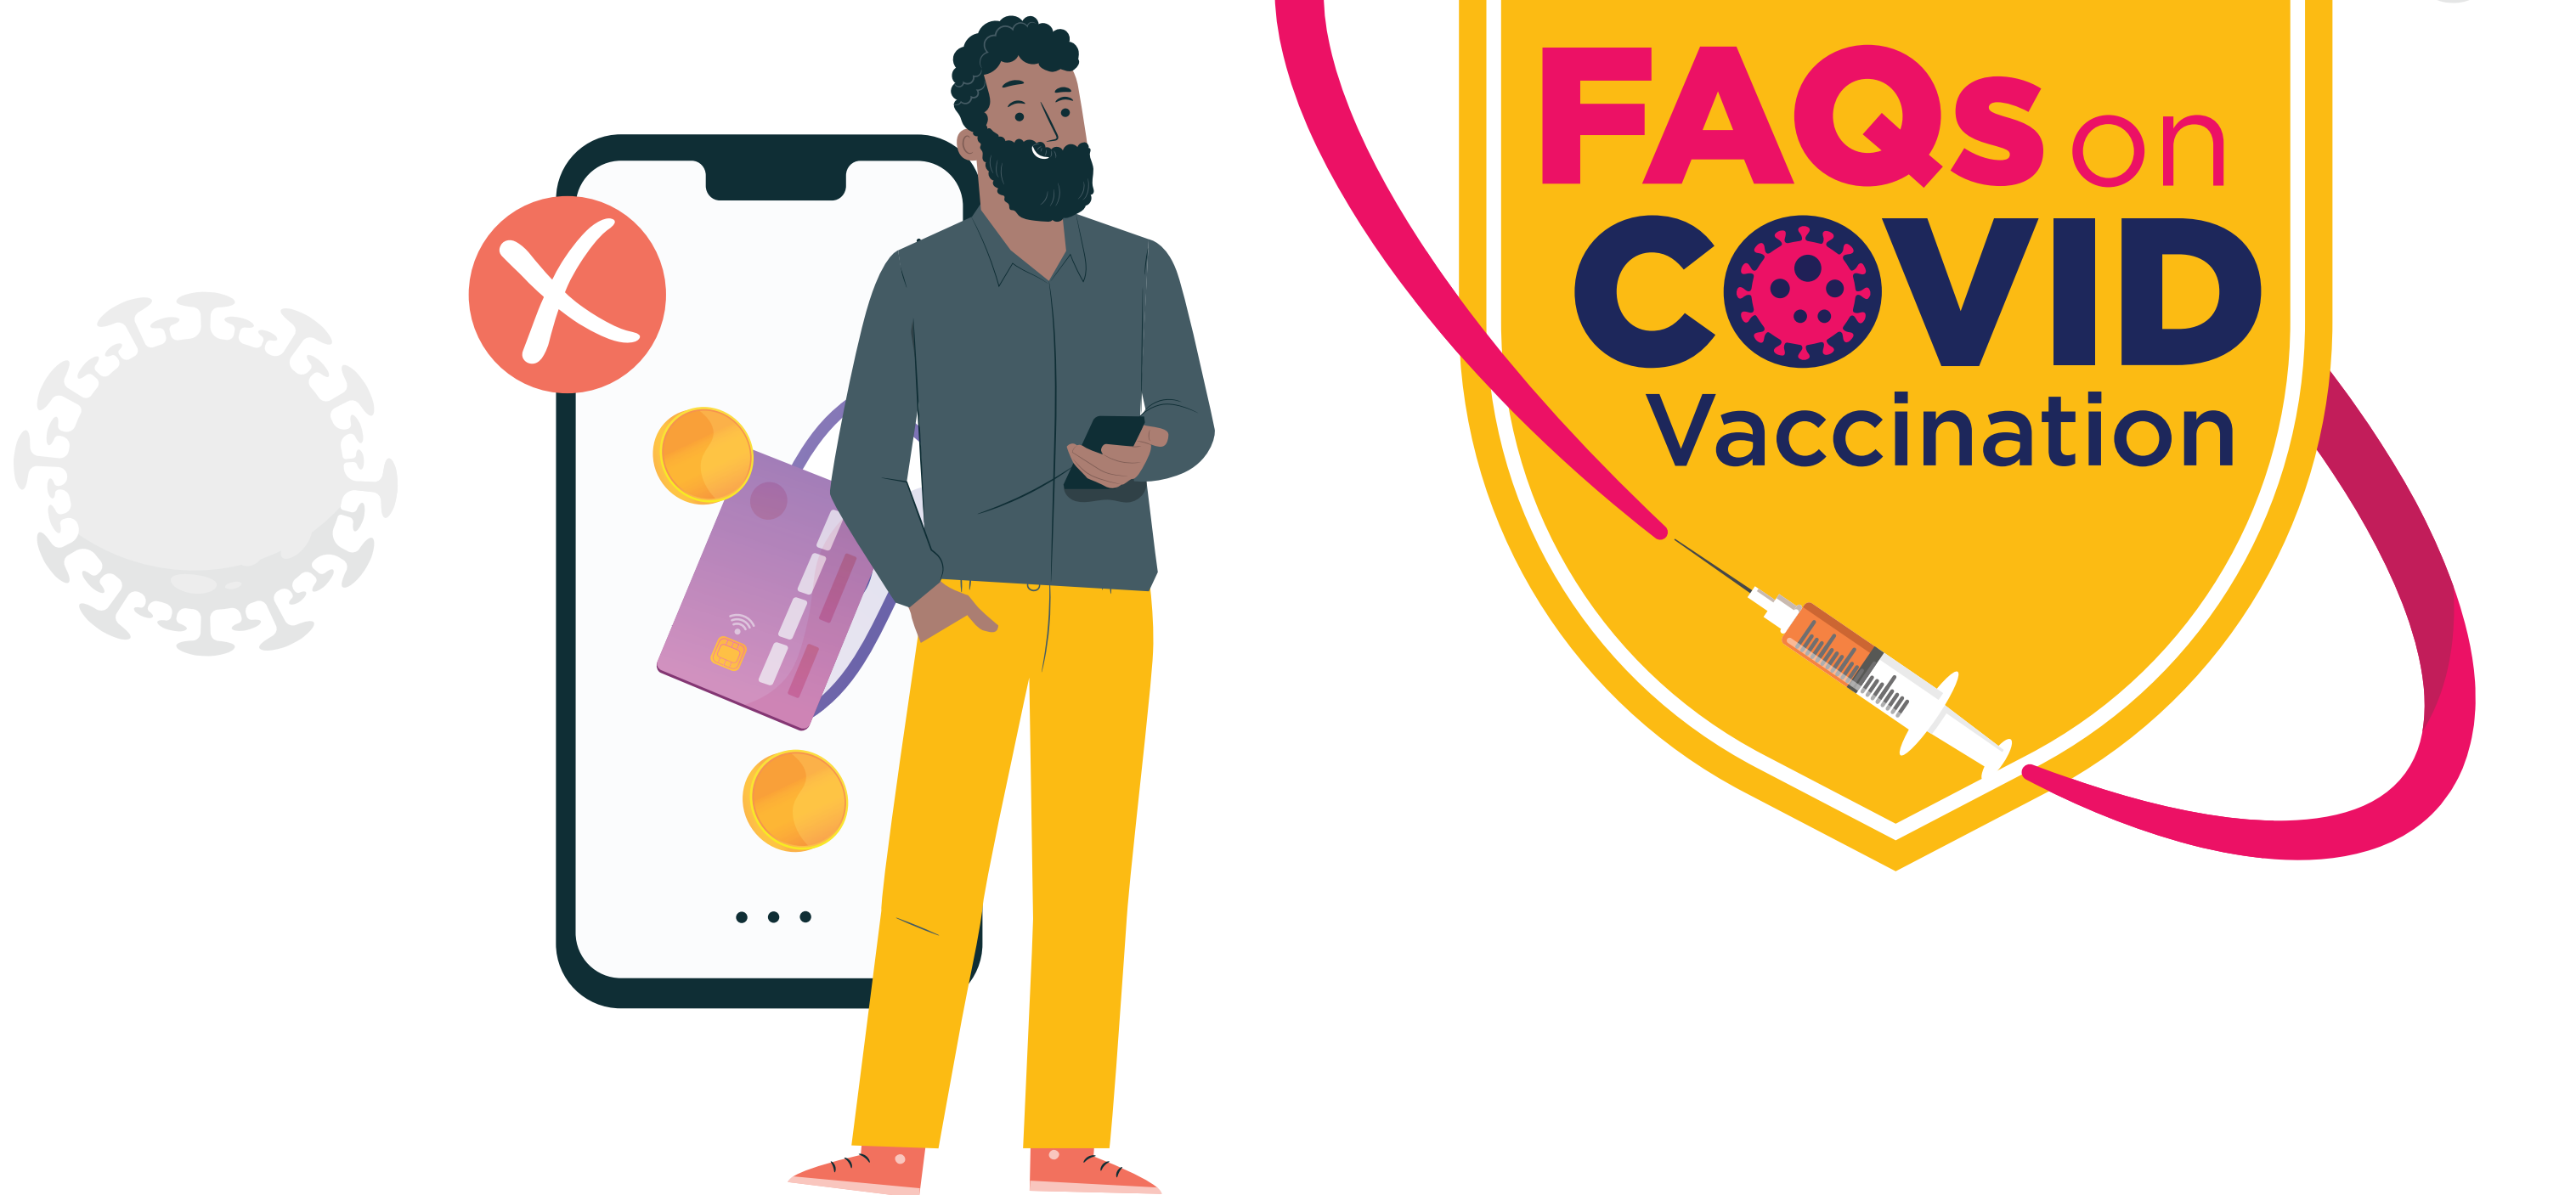

A. Up to 4 people can be registered for vaccination using the same mobile number. Citizens can take help from friends or family for online registration. Facility for on the spot registration is also available.

Q. Can I register for vaccination without an Aadhaar card?

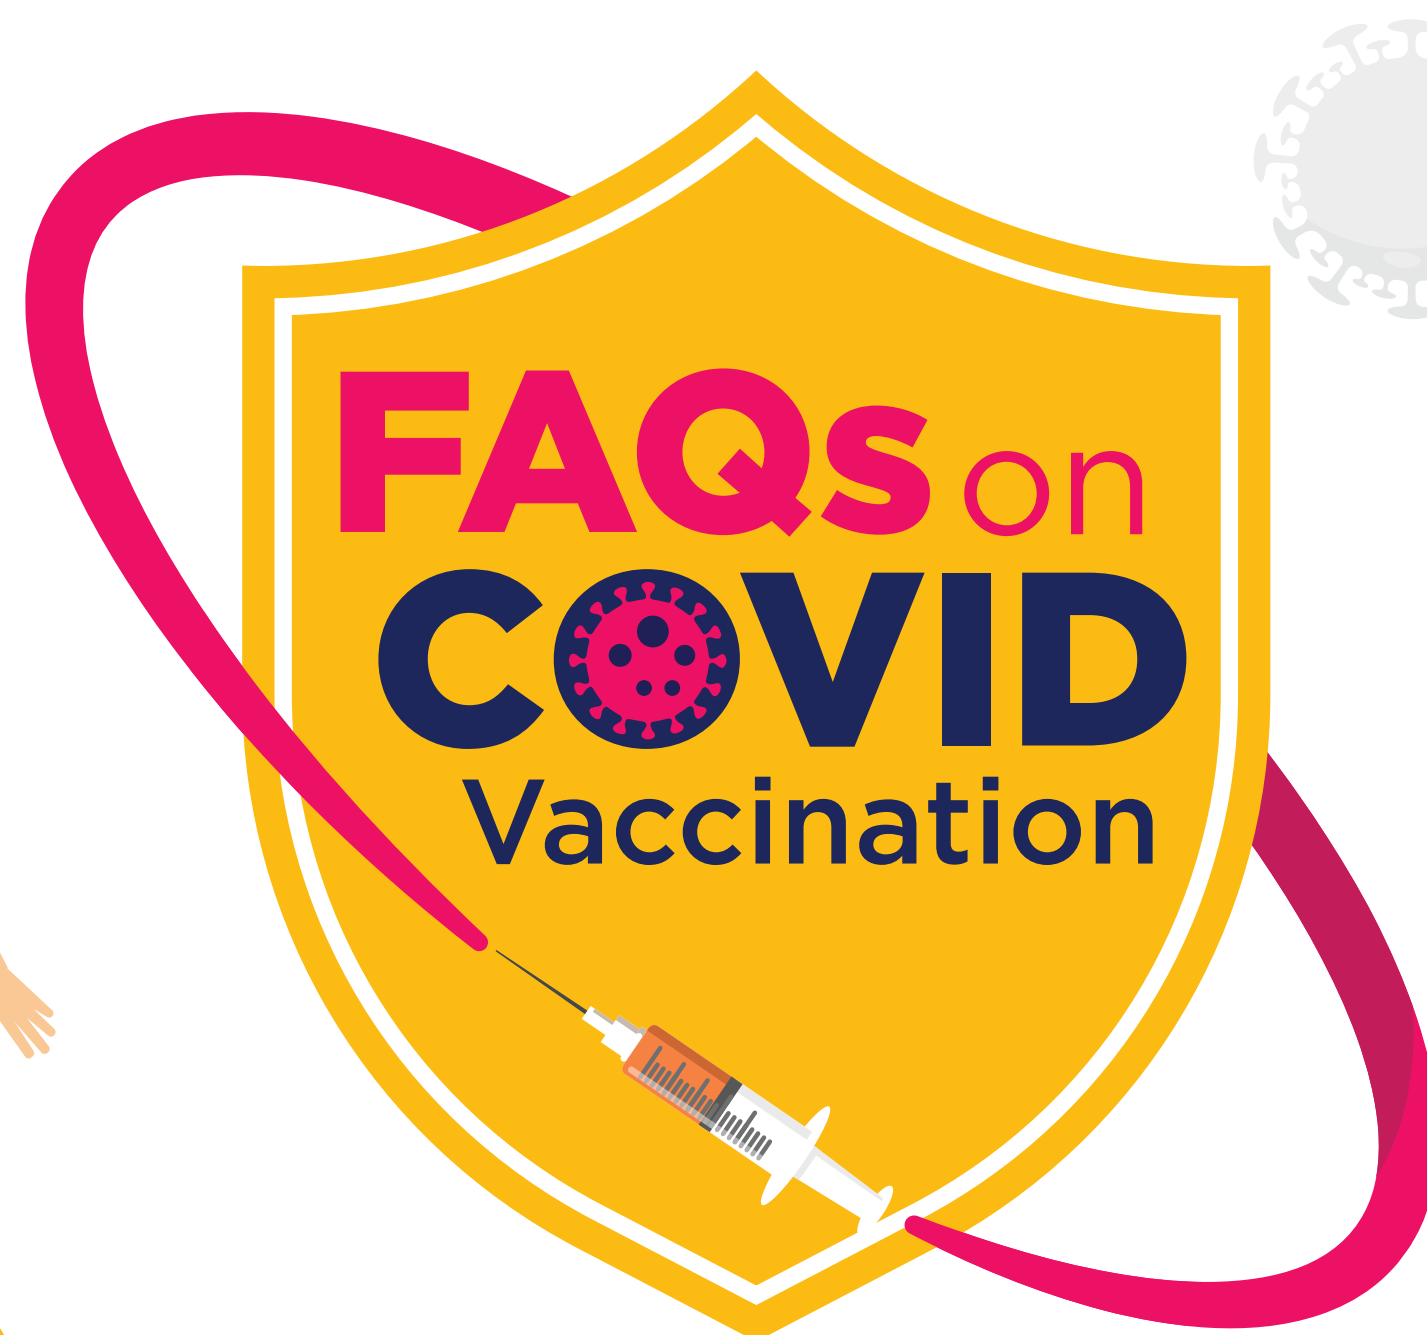

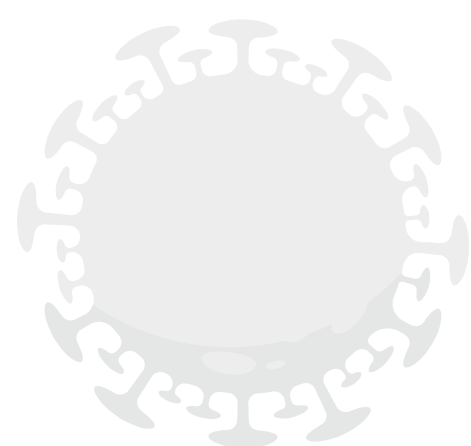

A. Yes, you can register for Co-WIN portal using any of the following ID proofs:

- | | |
|--------------------|-------------------------|
| a. Aadhaar card | e. Pension Passbook |
| b. Driving License | f. NPR Smart Card |
| c. PAN card | g. Voter ID Card (EPIC) |
| d. Passport | |

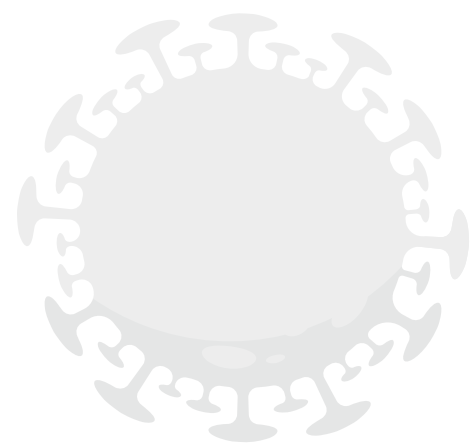

Q. Are there any registration charges to be paid?

A. No. There are no registration charges.

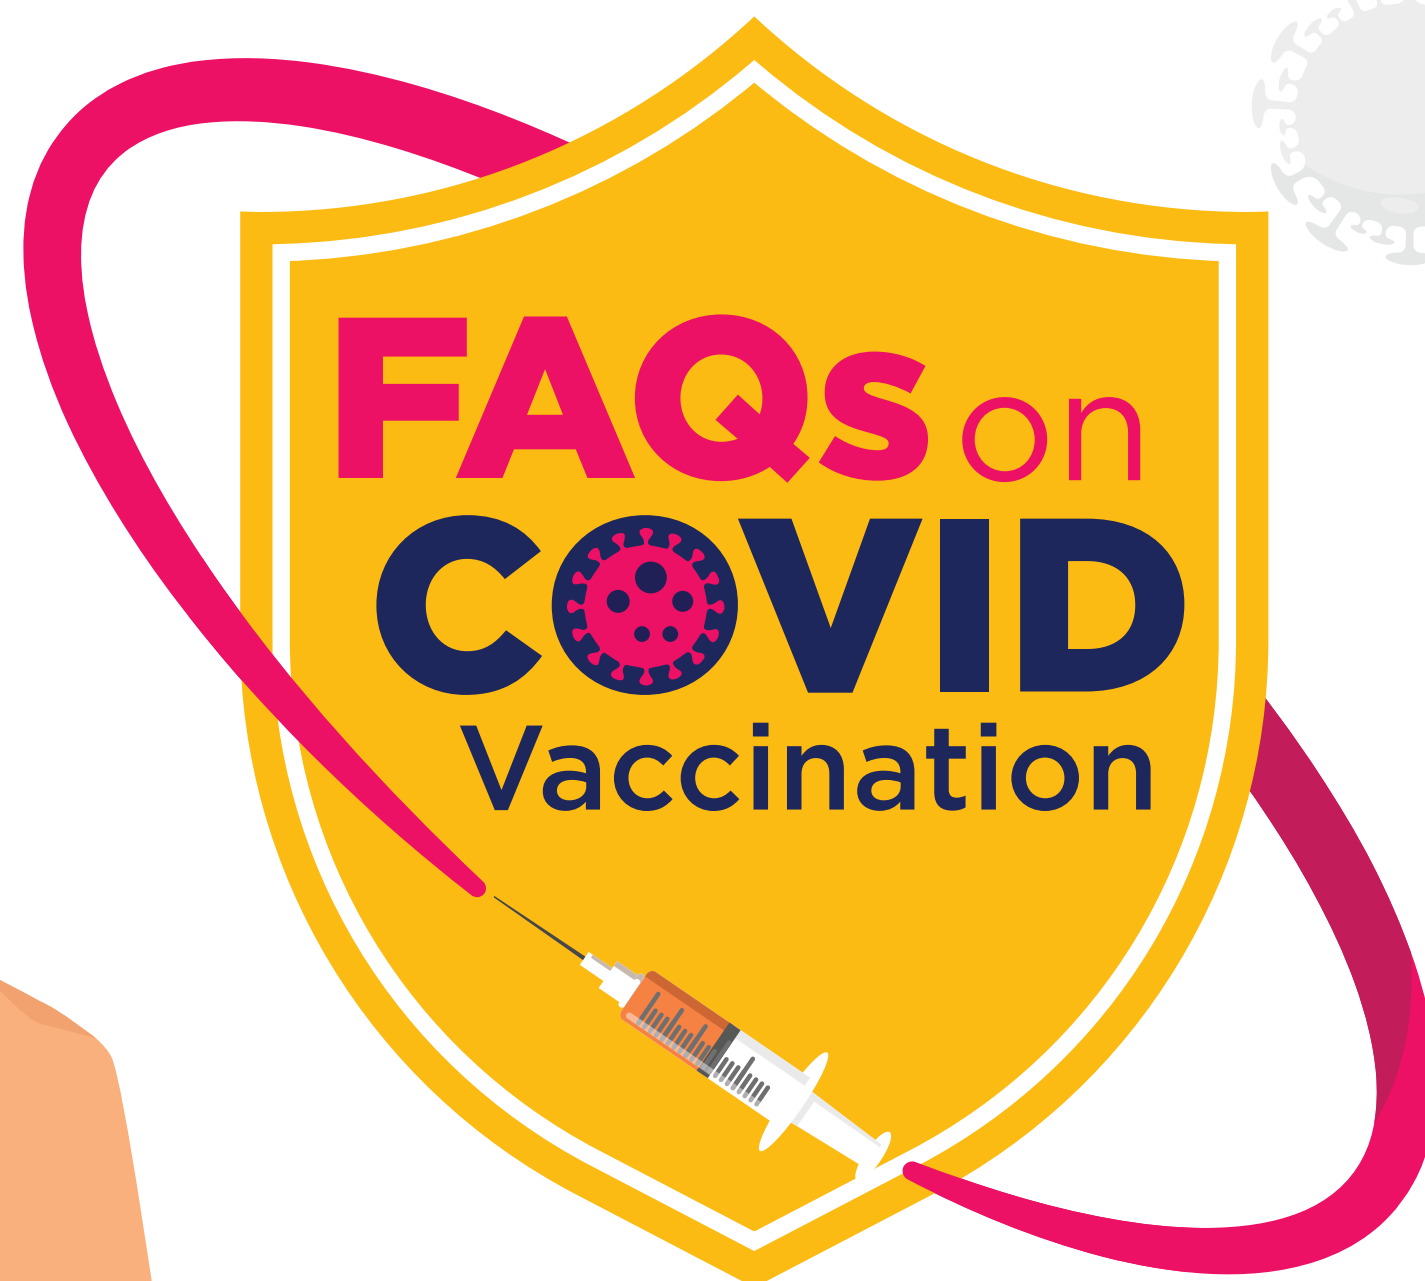

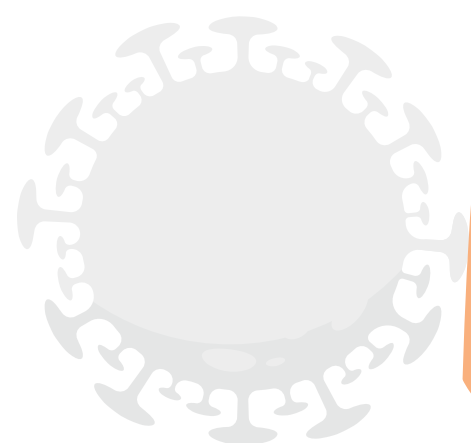

Q. Can I book an appointment for vaccination through the Co-WIN portal?

A. Yes, you can book an appointment for vaccination through the Co-WIN portal after logging-in with your registered mobile number.

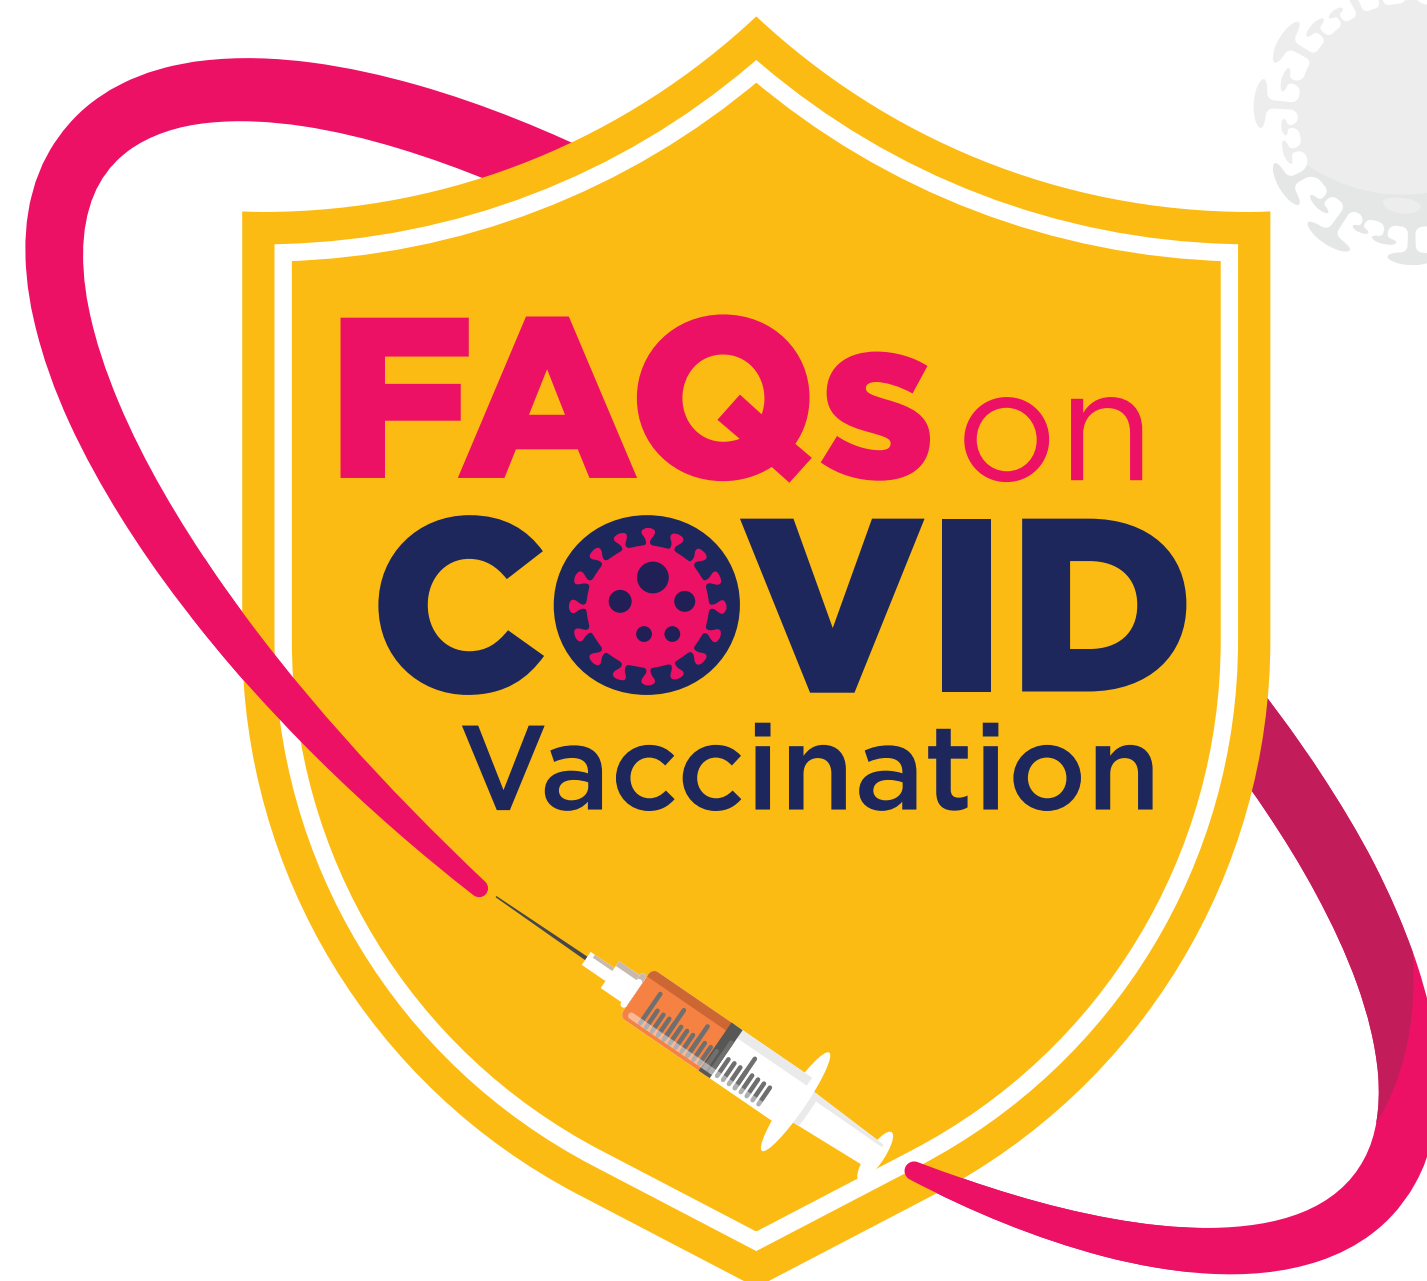

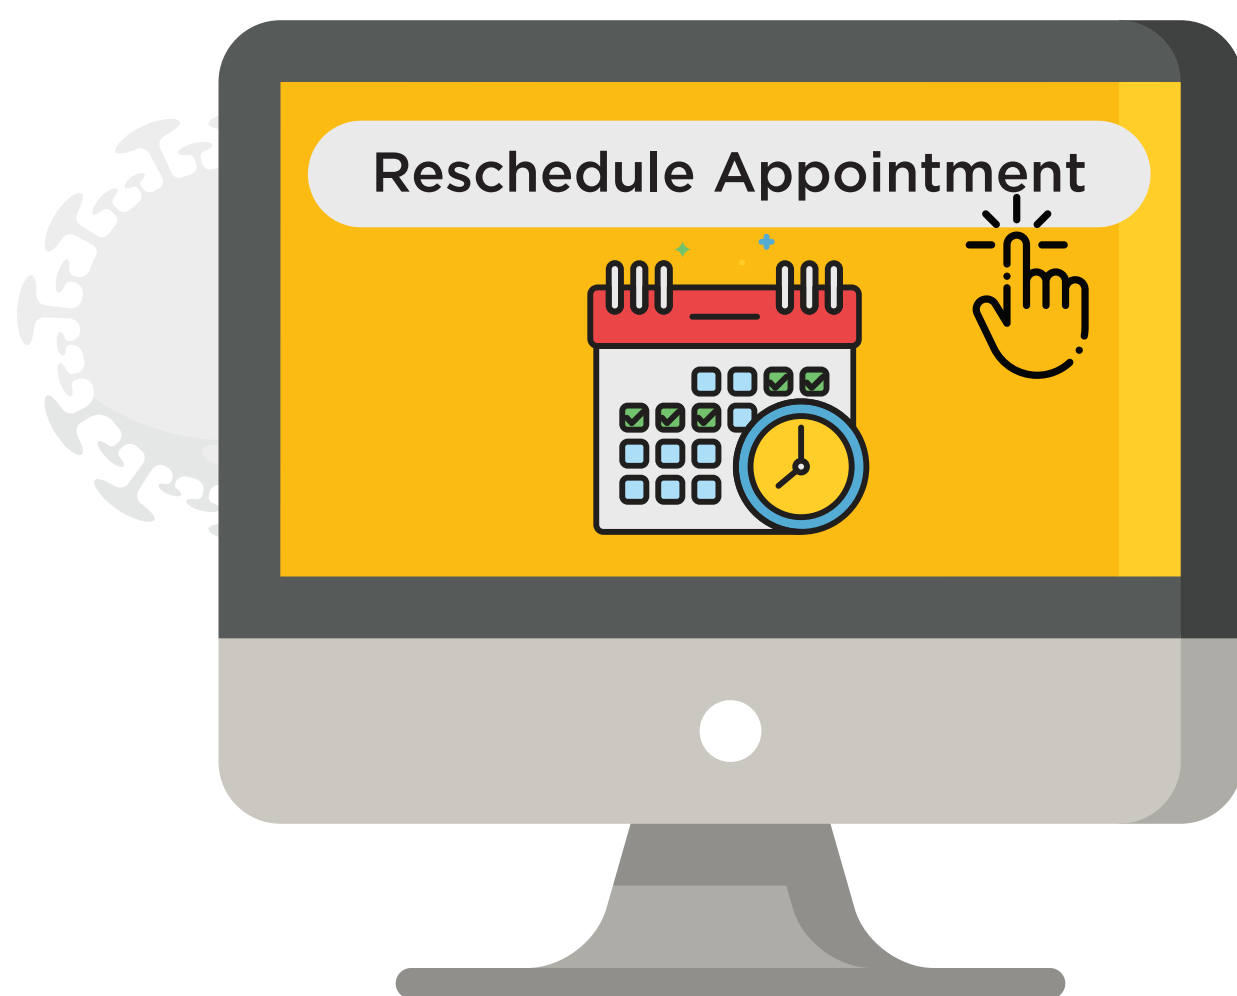

Q. Can I download an appointment slip?

A. Yes, the appointment slip can be downloaded after the appointment has been scheduled.

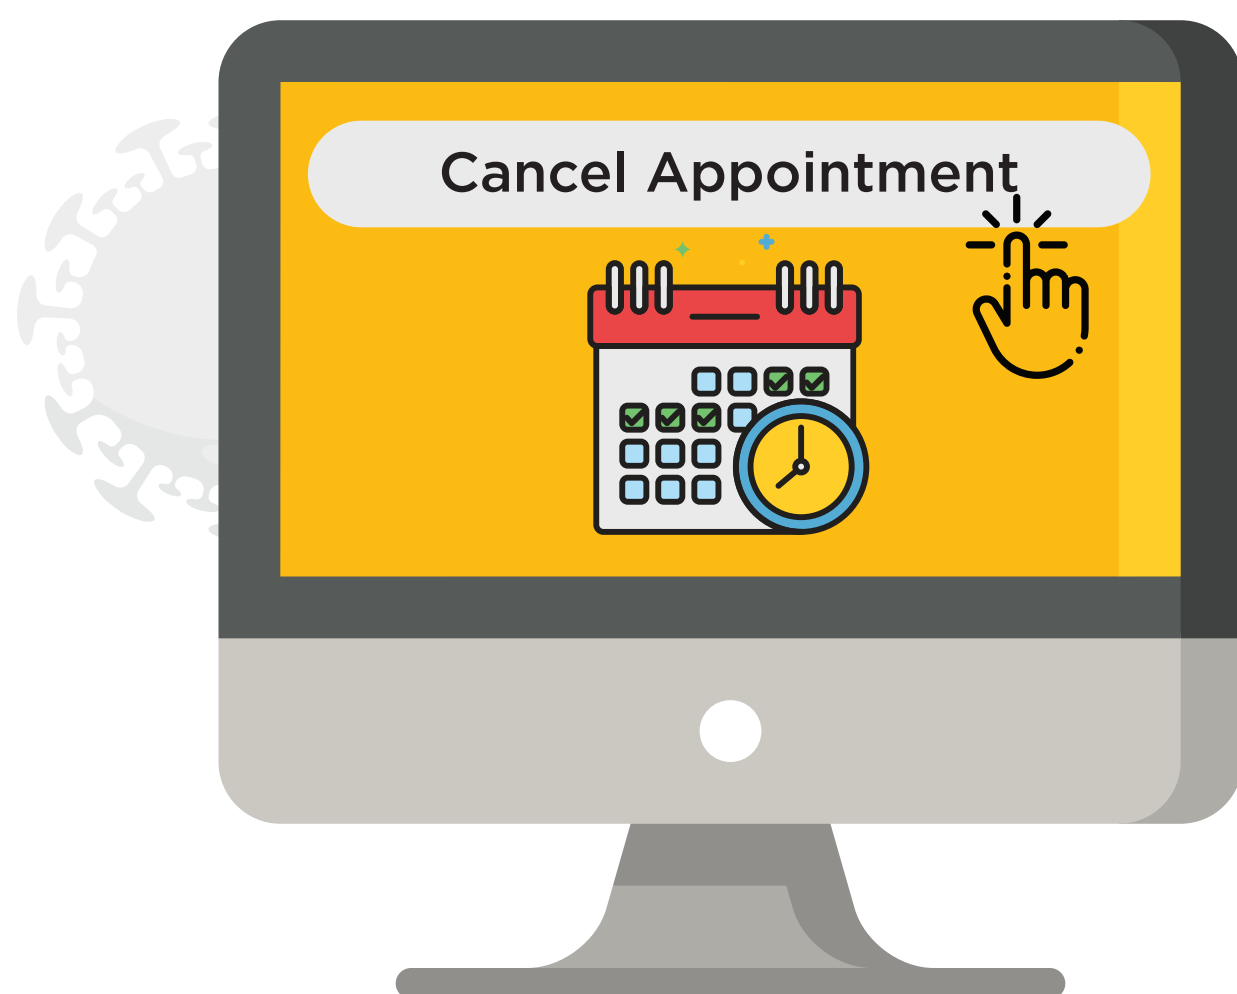

Q. How can I find the nearest vaccination centre?

A. You can search in the Co-WIN portal (or Aarogya Setu) for the vaccination centre nearest to your location by either searching through PIN code or by choosing the State and District.

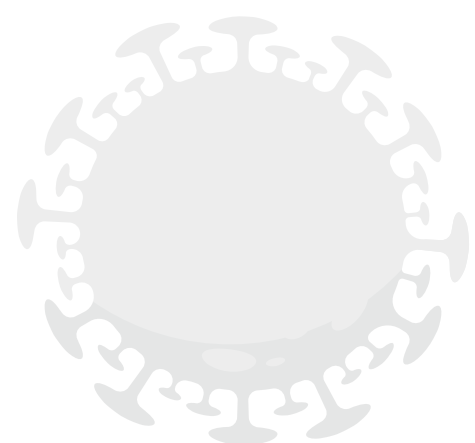

Q. What if I cannot go for vaccination on the date of appointment? Can I reschedule my appointment?

A. Yes. The appointment can be rescheduled at any time. In case you do not go for vaccination on the date of appointment, you can reschedule the appointment by clicking on “Reschedule” tab.

Q. Do I have an option for cancellation of appointment?

A. Yes, you can cancel an appointment already scheduled. You can also reschedule the appointment and choose another date or time slot of your convenience.

Q. Where will I receive confirmation of date and time of vaccination?

A. Once an appointment is scheduled, you will receive the details of the vaccination centre, date & time slot chosen for appointment in an SMS sent to your registered mobile number. You can also download the appointment slip and print it or keep it on your smart phone.

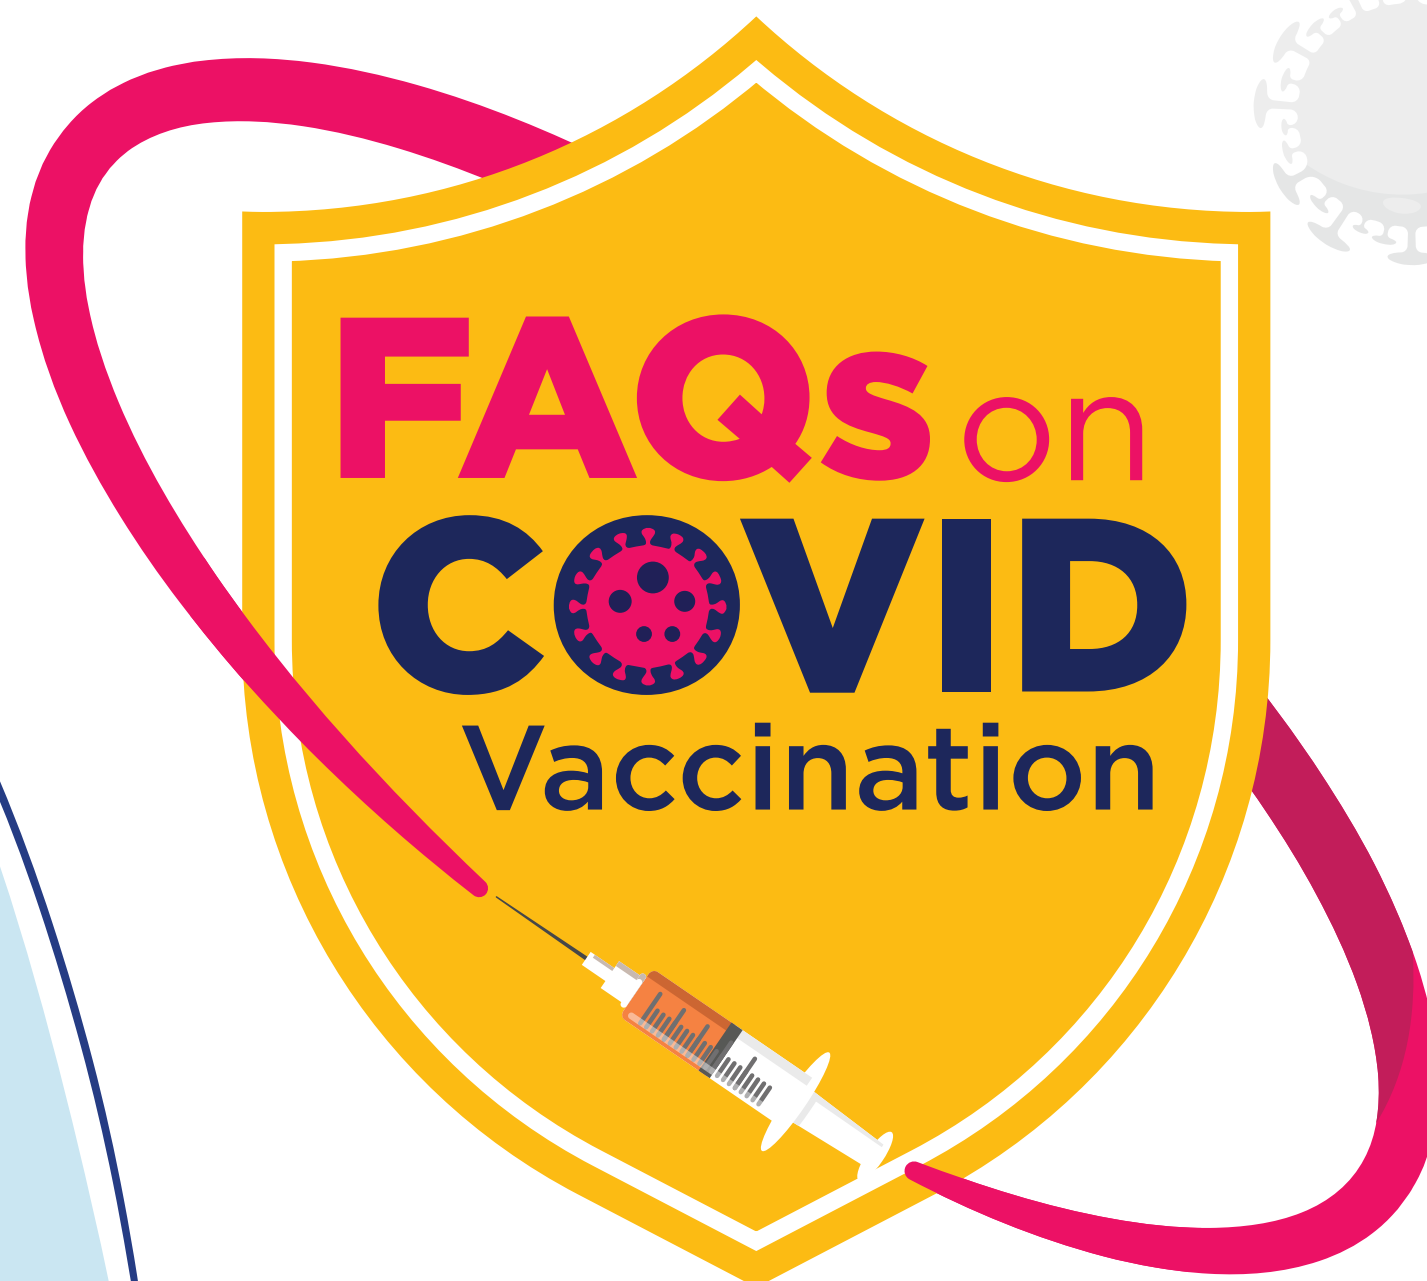

Q. Can I get vaccination without appointment?

A. Vaccination Centres also provide for a limited number of on-spot registration slots every day. However, fixing an online appointment using Co-WIN portal is recommended to avoid waiting time and queue in the vaccination centre, as in each centre only limited slots are made available for on-spot registration.

Q. Is it necessary to take the 2nd dose of vaccination?

A. Yes. It is recommended that both doses of vaccine should be taken for realising the full benefit of vaccination. Both doses must be of the same vaccine type.

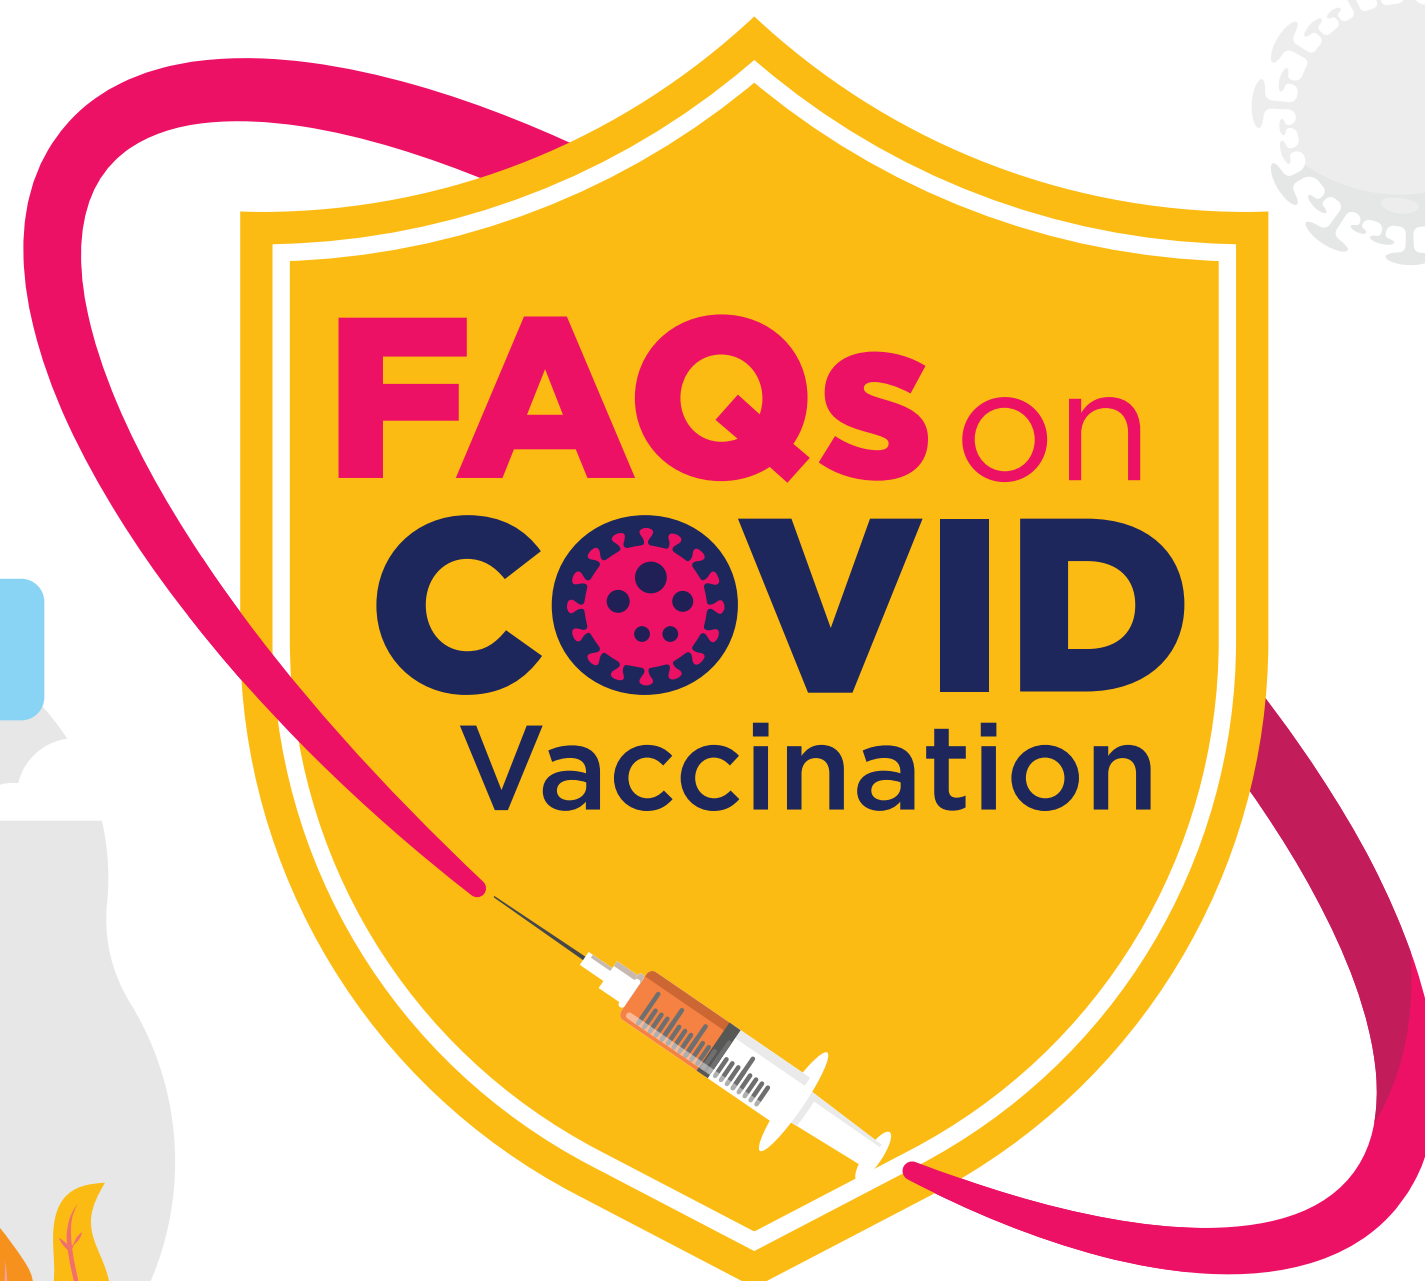

Q. When should I take the 2nd dose of vaccination?

A. It is recommended that the 2nd dose of COVAXIN should be administered in the interval of 4 to 6 weeks from the date of 1st dose. For COVISHIELD the recommended interval is 4 to 8 weeks. You may choose the date of 2nd dose vaccination as per your convenience.

Q. Will my 2nd dose appointment be automatically scheduled by the Co-WIN system?

A. No. You have to take an appointment for the 2nd dose vaccination. The Co-WIN system will help you book an appointment in a Vaccination Centre where the same vaccine is being administered as the vaccine type

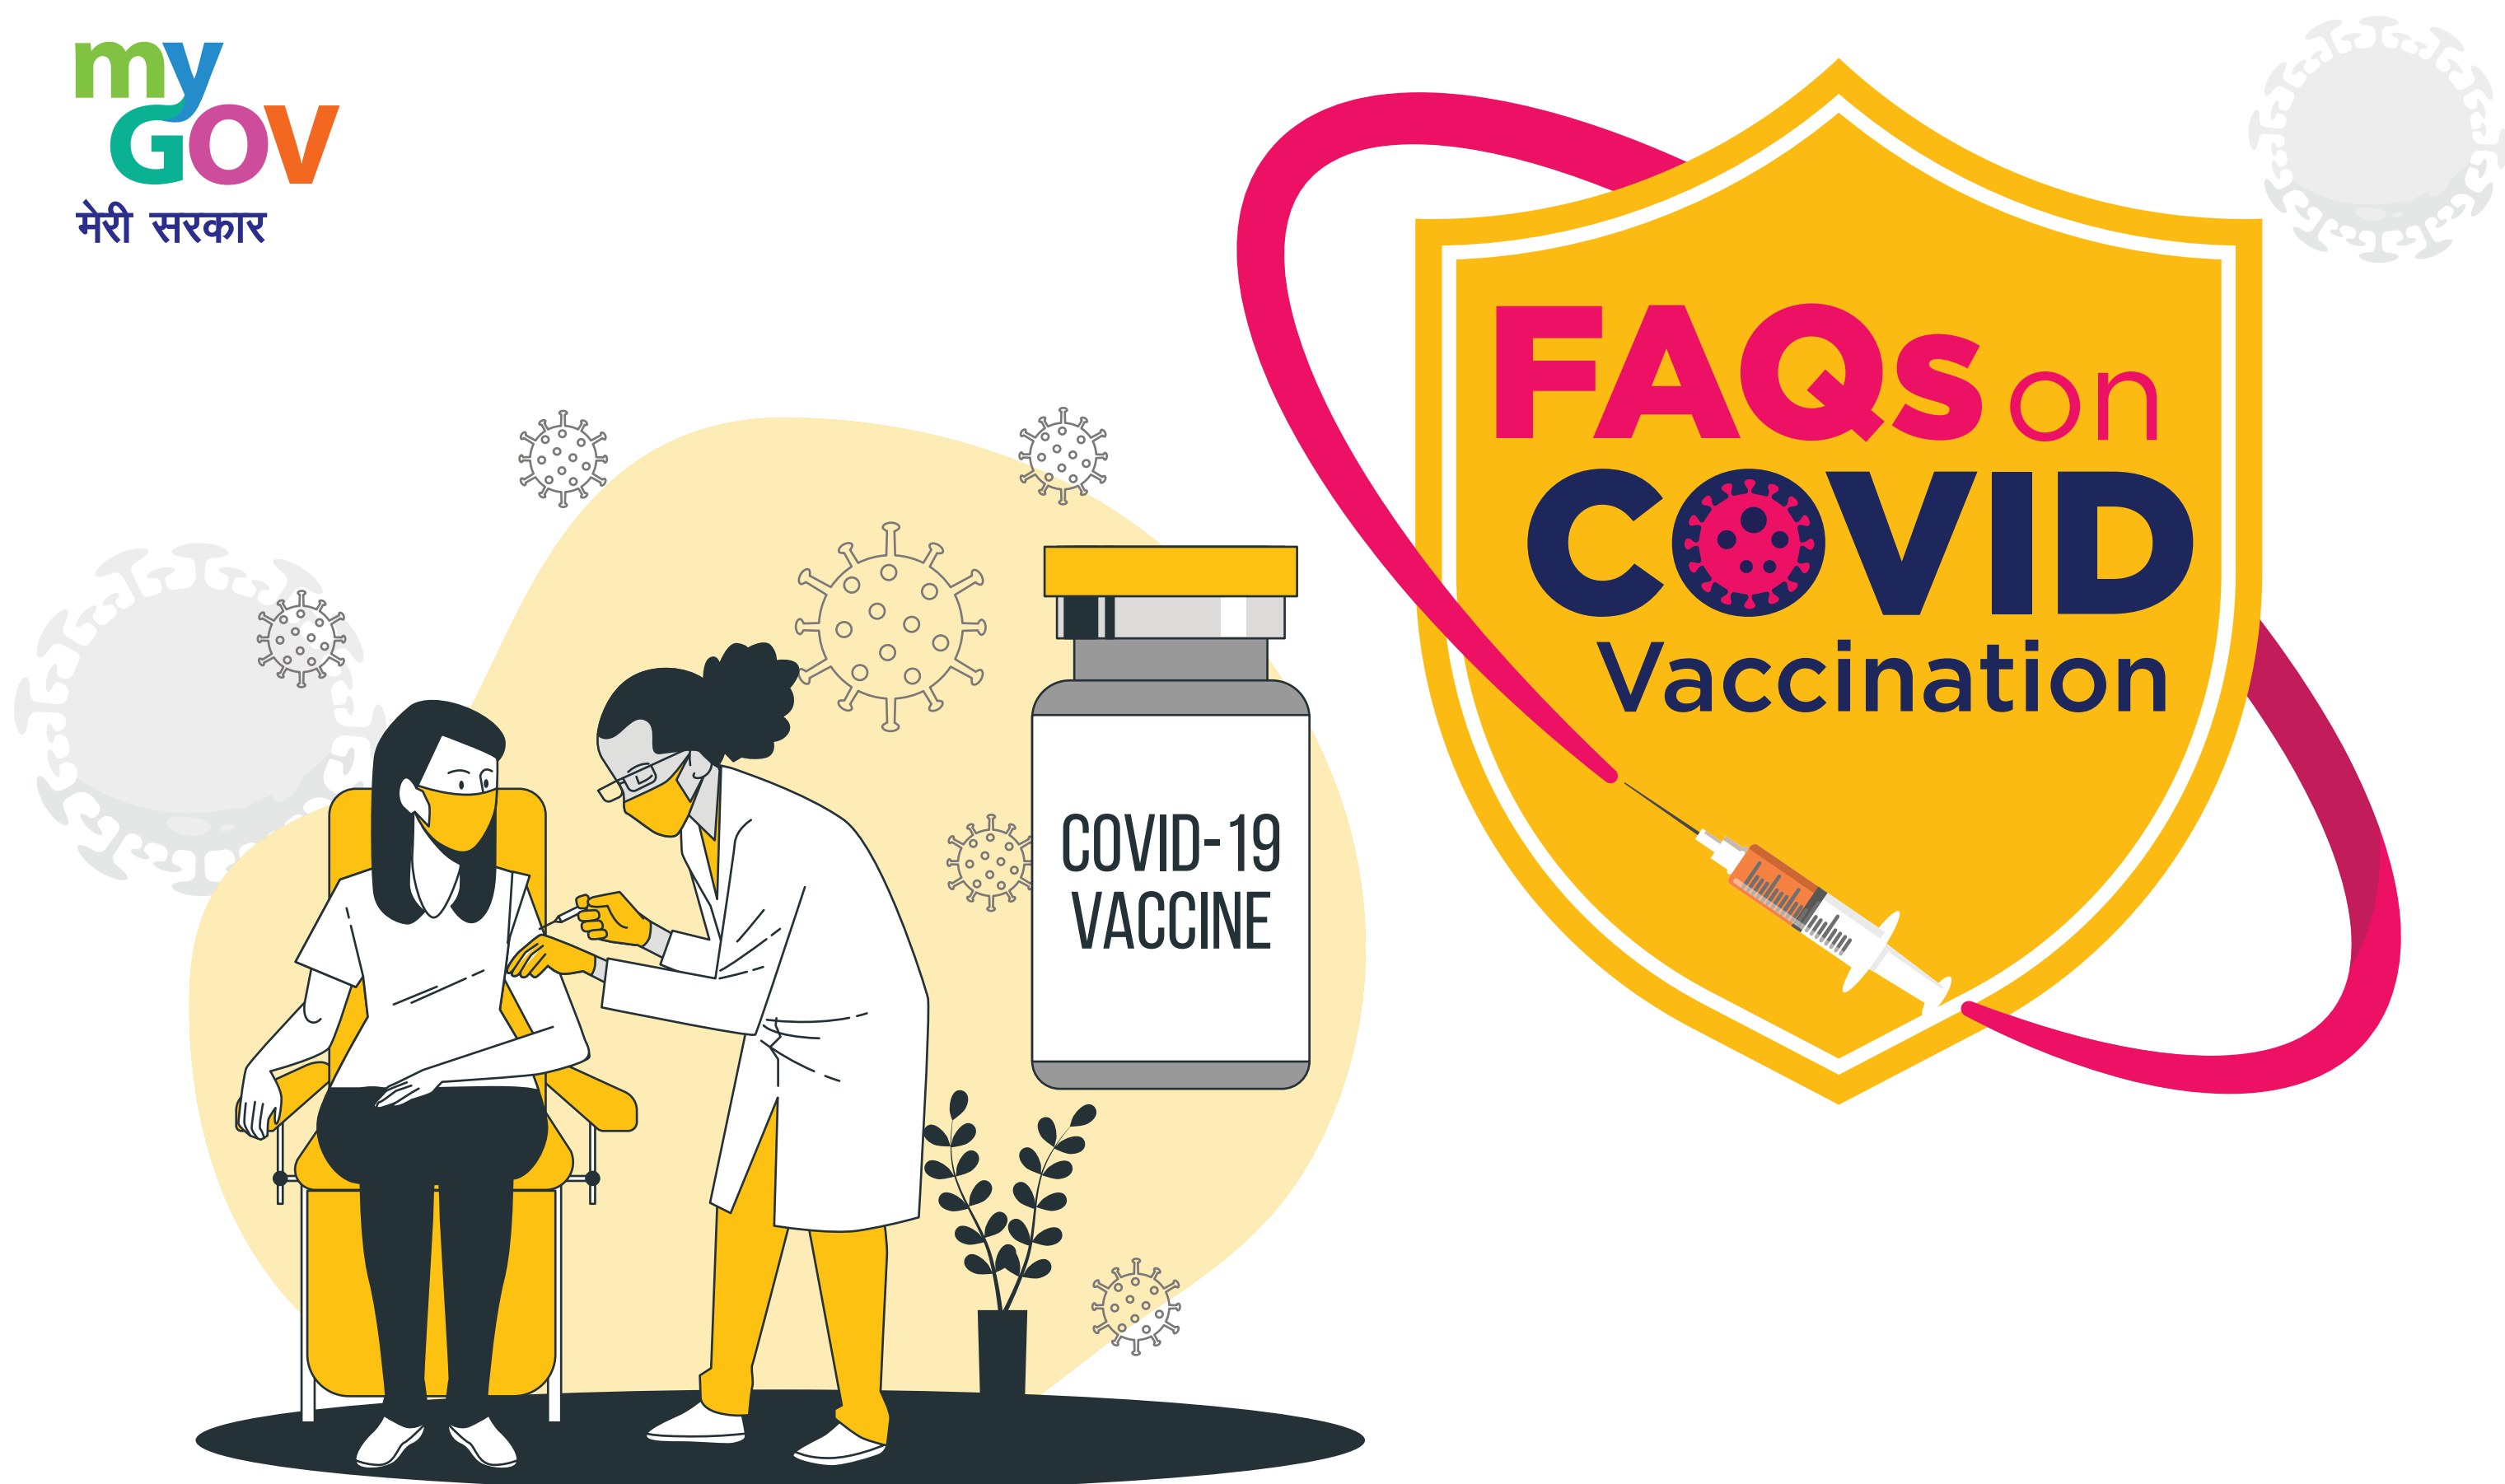

Q. Whom can I contact if I have some problems related to my online registration of appointment?

A. You can call on the national helpline '1075' for information and guidance on COVID-19 vaccination and Co-WIN software related queries.

Q. Is vaccination free at all vaccination centres?

A. No. Vaccination is free at Government hospitals and charged up to ₹250 per dose in Private hospitals. Citizens can get this information on the Co-WIN portal while booking an appointment.

Q. Can I choose the vaccine?

A. All vaccines being offered are safe. Currently, the choice regarding the type of vaccine is not available

FAQs on COVID Vaccination

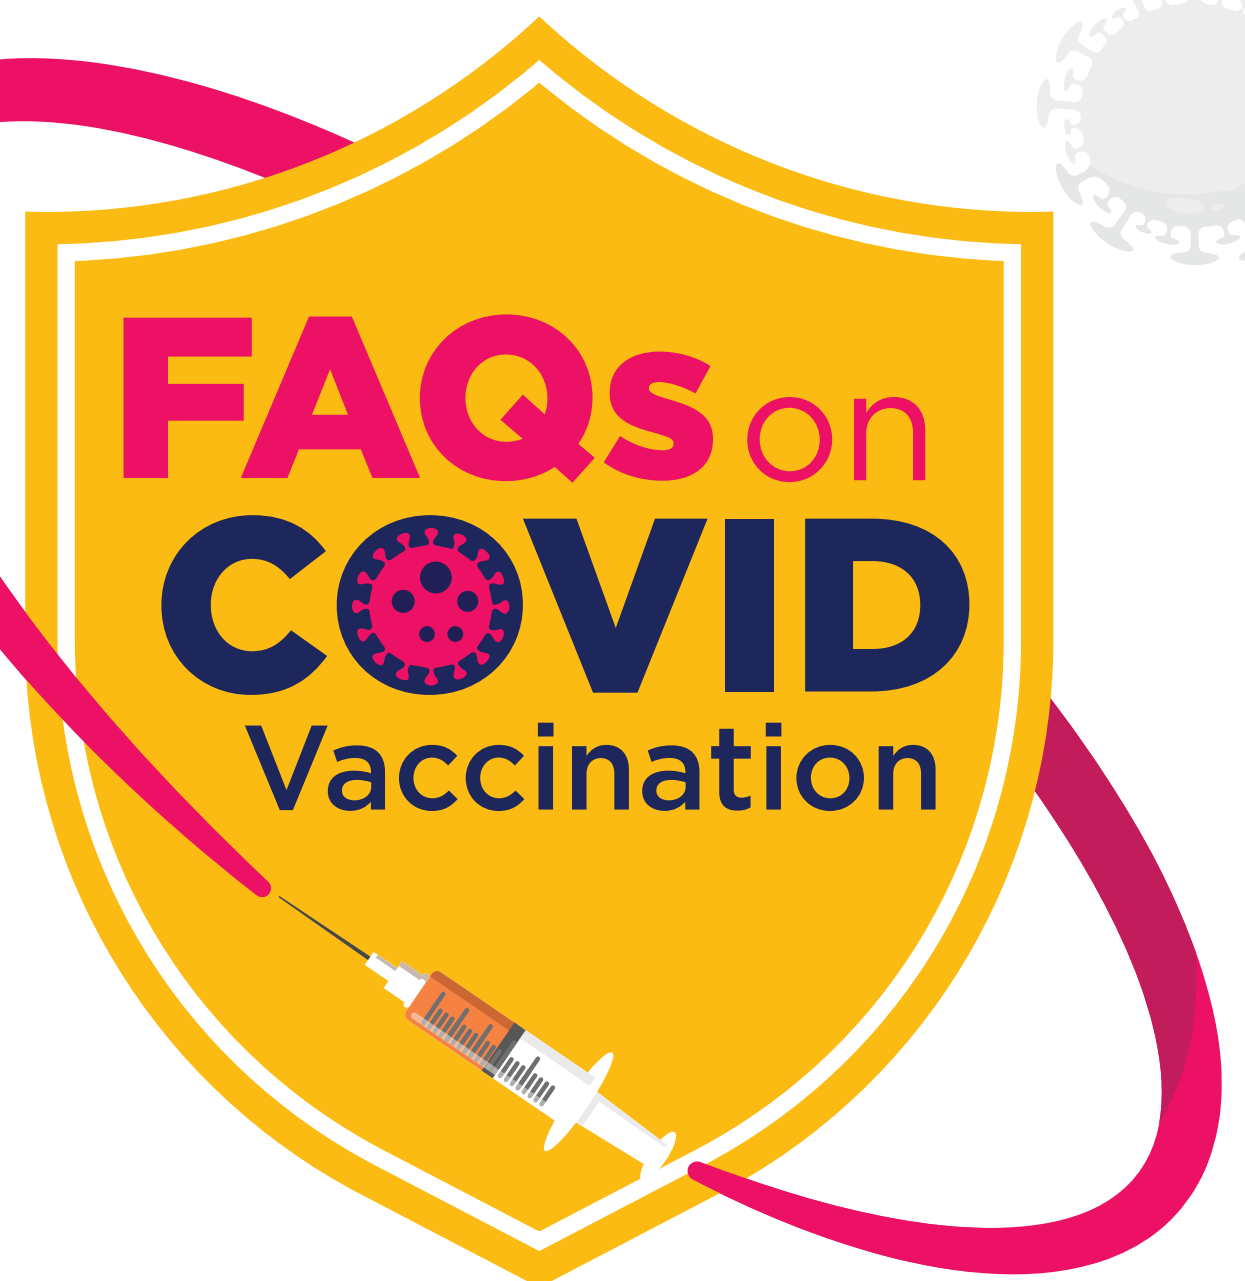

Q. What precautions should I take at the time of the 2nd dose of vaccination?

A. Citizens should confirm that the 1st dose was done with the same vaccine as is being offered at the time of 2nd dose and that the 1st dose was administered over 28 days ago. You should share the correct information about the vaccine type and the date of 1st dose vaccination with the vaccinator. You should also carry your vaccine certificate issued after the first dose.

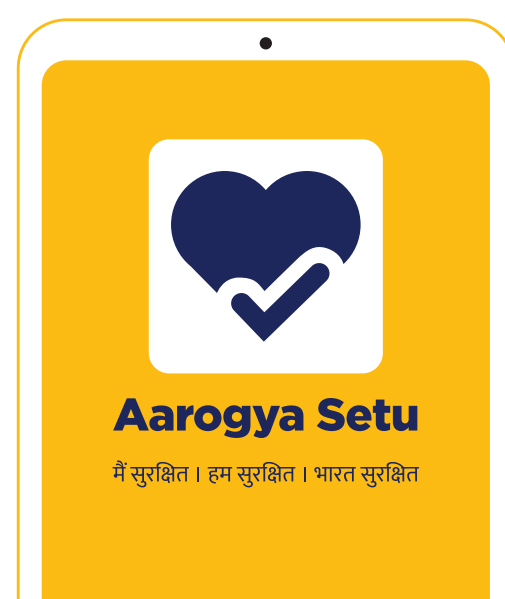

Q. Why do I need a vaccination certificate?

A. Vaccination certificate is a verifiable proof of vaccination that you can use to establish that you have been vaccinated in cases where any such requirement is specified.

Q. Who is responsible for providing the vaccination certificate?

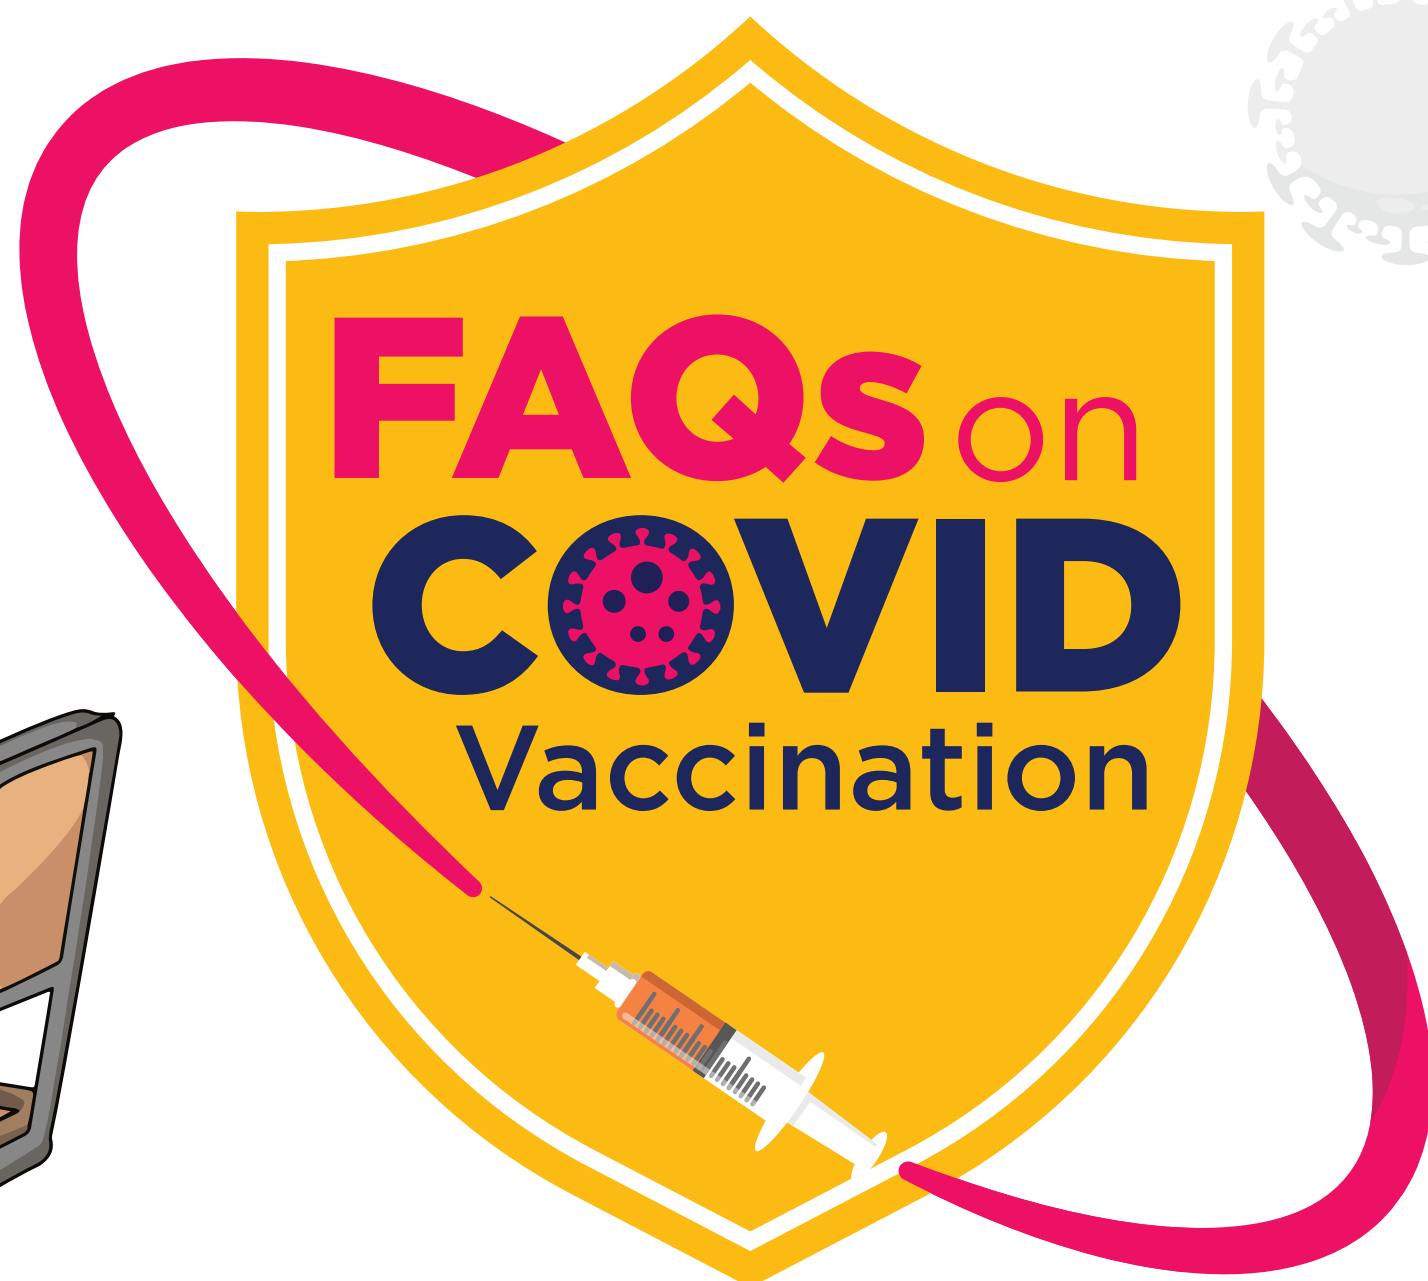

A. The Vaccination Centre is responsible for generating your certificate and for providing a printed copy post vaccination on the day of vaccination itself. Please do insist on receiving the certificate at the Centre. For Private Hospitals, the charges for providing a printed copy of the certificate are included in the service charge (up to ₹250 per dose) for vaccination.

A large yellow shield graphic with a pink border. Inside the shield, the text "FAQS on COVID Vaccination" is written in pink and blue. A pink syringe icon is positioned at the bottom right of the shield, and a pink ribbon-like line loops around the shield.

FAQS on COVID Vaccination

Q. Where can I download vaccination certificate from?

A. You can download vaccination certificate from the Co-WIN portal (cowin.gov.in) or the Aarogya Setu app or through Digi-Locker by following the simple steps. You may do so by using the mobile number used at the time of registration.

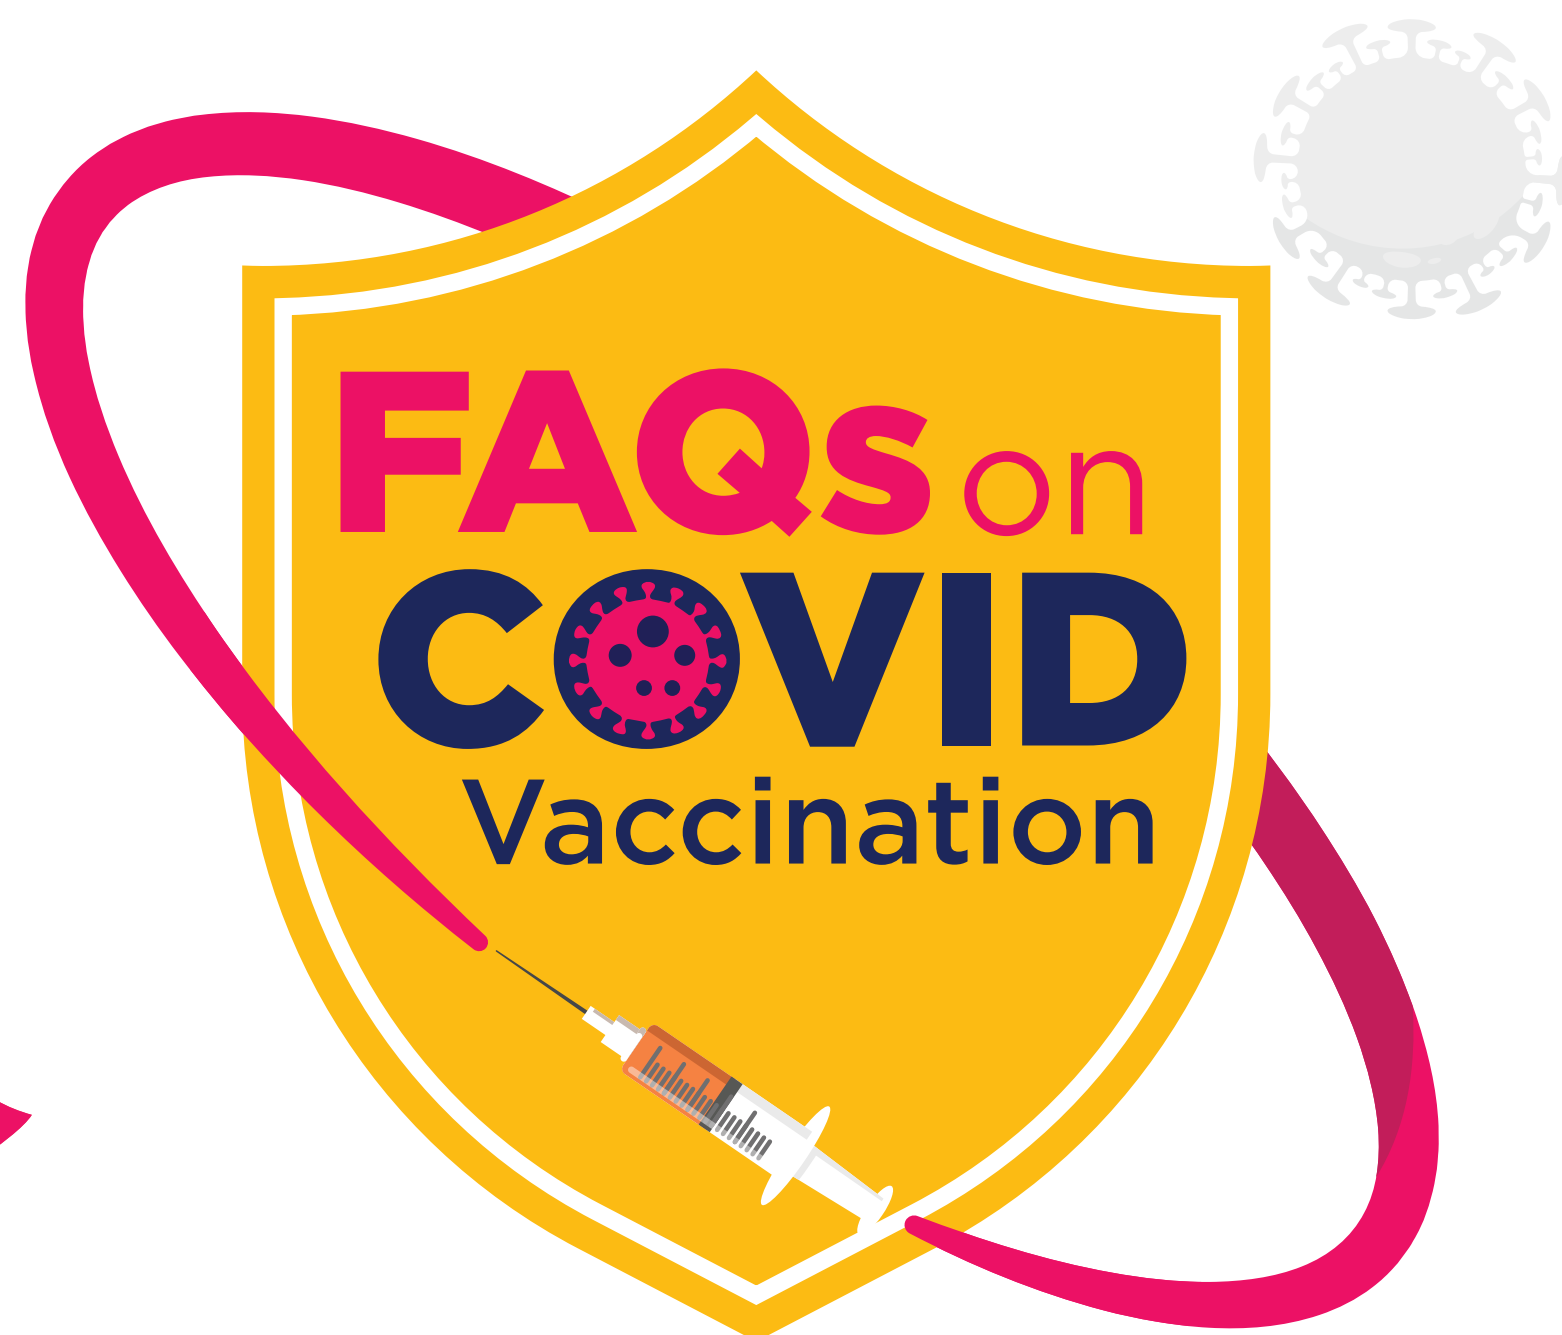

Q. Which documents should I carry with me for vaccination?

A. You should carry your identity proof specified by you at the time of registration on the Co-WIN portal, a printout/screenshot of your appointment slip.

Q. Can I get vaccinated with the 2nd dose in a different State/District?

A. Yes, you can get vaccinated in any State/District. The only restriction is that you will be able to get vaccinated only on those centres which are offering the same vaccine as was administered to you on your first dose.

Q. Whom do I contact in case of side effects from vaccination?

A. You can call on the national helpline '1075' for information and guidance if you experience any side effects post COVID-19 vaccination. You may also contact the Vaccination Centre where you took vaccination, for advice.
